Mantler,2023-02-07 In April 1983 a dynamic multiracial political coalition did the unthinkable electing Harold Washington as the first Black mayor of Chicago Washington s victory was unlikely not just because America s second city was one of the nation s most racially balkanized but also because it came at a time when Ronald Reagan and other political conservatives seemed resurgent Washington s initial win and reelection in 1987 established the charismatic politician as a folk hero It also bolstered hope among Democrats that the party could win elections by pulling together multiracial urban voters around progressive causes Yet what could be called the Washington era revealed clear limits to electoral politics and racial coalition building when decoupled from neighborhood based movement organizing Drawing on a rich array of archives and oral history interviews Gordon K Mantler offers a bold reexamination of the Harold Washington movement and moment Taking readers into Chicago s street level politics and the often tense relationships among communities and their organizers Mantler shows how white supremacy deindustrialization dysfunction and voters own contradictory expectations stubbornly impeded many of Washington s proposed reforms Ultimately Washington s historic victory and the thwarted ambitions of his administration provide a cautionary tale about the peril of placing too much weight on electoral politics above other forms of civic action a lesson today s activists would do well to heed **The Oxford Handbook of Modern Irish Poetry** Fran Brearton,Alan Gillis,2012-10-25 The Oxford Handbook of Modern Irish Poetry consists of 40 essays by leading scholars and new researchers in the field Beginning with W B Yeats the figure who towers over the century s poetry it includes chapters on the major poets to have emerged in Ireland over the last 100 years Books Ireland ,2004
