Gordon S. Barker, Sophie A. Brady, 2025-10-17 During the antebellum period African American women were at the center of the nation's battle between slavery and liberty as the country moved closer to civil war. Their resistance added momentum to the abolition movement and led to a more militant stance against slavery among both Black and White Northerners. While their fight exposed the true horrors of slavery, these women's stories also reveal their agency, resilience, and ingenuity. This work highlights the lives of women who faced and fought against an institution that sanctioned both physical and sexual violence. It also examines the plight of free Black women who were kidnapped and thrust into slavery and the effects of familial separation. The authors explore how the actions of African American women helped fuel the expansion of the Underground Railroad, influenced both state and federal policy, and ultimately played a vital role in the abolition movement. This book shifts the narrative of emancipation, illuminating the vital contributions of African American women and positioning them at the center of the fight to end slavery. *The Conversion of Herman the Jew* Jean-Claude Schmitt, 2010-07-15 Jean-Claude Schmitt examines a unique and controversial conversion narrative to explore its meaning within the society and culture of its period, as well as what it has to tell us about the way historians think and write. [Splish-Splash Bible Bash](#) Cook Communications Ministries, 2004-08 Splish Splash Bible Bash is a children's ministry program for mixed ages that sends kids off to surf watery Bible stories and learn some important truths. Each lesson opens with a gathering time for prayer and music, followed by a lively, humorous puppet presentation. Then kids splash into the Bible with interactive stories that put them right on the scene. A choice of application activities makes sure that kids see how Bible truths relate to their lives. Preschoolers can join in the fun with elementary-age kids, or they can enjoy activities specially planned for the little ones. *The Sunday School Journal*, 1902
