Costume Performing Identities Through Dress:

Costume Pravina Shukla, 2016-04-06 A revealing look at how and why we dress up for events from historical reenactments to Halloween with an engaging writing style and rich illustrations Choice What does it mean to people around the world to put on costumes to celebrate their heritage reenact historic events assume a role on stage or participate in Halloween or Carnival Self consciously set apart from everyday dress costume marks the divide between ordinary and extraordinary settings and enables the wearer to project a different self or special identity In this fascinating book Pravina Shukla offers richly detailed case studies from the United States Brazil and Sweden to show how individuals use costumes for social communication and to express facets of their personalities Revelatory a wide ranging book bringing attention to clothing as part of festivals and folk heritage events pop culture conventions and dramatic performances Nuvo **Costume**, 2016 New Approaches to Decolonizing Fashion History and Period Styles Ashley Bellet, 2023-12-29 New Approaches to Decolonizing Fashion History and Period Styles Re Fashioning Pedagogies offers a wide array of inclusive global practical approaches for teaching costume and fashion history Costume designers technicians and historians have spent the last several years re evaluating how they teach costume and fashion history acknowledging the need to refocus the discourse to include a more global perspective This book is a collection of pedagogical methods aimed to do just that with an emphasis on easy reference accessible activities and rubrics and containing a variety of ways to restructure the course Each chapter offers a course description syllabus calendar course objectives and learning outcomes as well as sample activities from instructors across the country who have made major changes to their coursework Using a combination of personal narratives examples from their work bibliographies of helpful texts and student responses contributors suggest a variety of ways to decolonize the traditionally Western focused fashion history syllabus This collection of pedagogical approaches is intended to support and inspire instructors teaching costume design costume history fashion history period styles and other aesthetic histories in the arts *Daniel Johnston* Henry Glassie, 2020-03-03 DANIEL JOHNSTON raised on a farm in Randolph County returned from Thailand with a new way to make monumental pots Back home in North Carolina he built a log shop and a whale of a kiln for wood firing Then he set out to create beautiful pots grand in scale graceful in form and burned bright in a blend of ash and salt With mastery achieved and apprentices to teach Daniel Johnston turned his brain to massive installations First he made a hundred large jars and lined them along the rough road that runs past his shop and kiln Next he arranged curving clusters of big pots inside pine frames slatted like corn cribs to separate them from the slick interiors of four fine galleries in succession Then in concluding the second phase of his professional career Daniel Johnston built an open air installation on the grounds around the North Carolina Museum of Art where 178 handmade wood fired columns march across a slope in a straight line 350 feet in length that dips and lifts with the heave while the tops of the pots maintain a level horizon In 2000 when he was still Mark Hewitt s apprentice Daniel Johnston met Henry Glassie who has done fieldwork on

ceramic traditions in the United States Brazil Italy Turkey Bangladesh China and Japan Over the years during a steady stream of intimate interviews Glassie gathered the understanding that enabled him to compose this portrait of Daniel Johnston a young artist who makes great pots in the eastern Piedmont of North Carolina **Like Life** Luke Syson,Sheena Wagstaff,Emerson Bowyer,Brinda Kumar,2018-03-19 Since before the myth of Pygmalion bringing a statue to life through desire artists have used sculpture to explore the physical materiality of the body This groundbreaking volume examines key sculptural works from thirteenth century Europe to the global present revealing new insights into the strategies artists deploy to blur the distinction between art and life Three dimensional renderings of the human figure are presented here in numerous manifestations created by artists ranging from Donatello and Edgar Degas to Kiki Smith and Jeff Koons Featuring works created in media both traditional and unexpected such as glass leather and blood Like Life presents sculpture by turns conventional and shocking including effigies dolls mannequins automata waxworks and anatomical models Texts by curators and cultural historians as well as contemporary artists complete this provocative exploration of realistic representations of the human body p p1 margin 0 0px 0 0px 0 0px font 14 0px Verdana *Anarchist's Guide to Historic House Museums* Franklin D Vagnone,Deborah E Ryan,2016-07-01 In these days of an aging traditional audience shrinking attendance tightened budgets increased competition and exponential growth in new types of communication methods America's house museums need to take bold steps and expand their overall purpose beyond those of the traditional museum They need not only to engage the communities surrounding them but also to collaborate with visitors on the type and quality of experience they provide This book is a groundbreaking manifesto that calls for the establishment of a more inclusive visitor centered paradigm based on the shared experience of human habitation It draws inspiration from film theater public art and urban design to transform historic house museums while providing a how to guide for making historic house museums sustainable through five primary themes communicating with the surrounding community engaging the community re imagining the visitor experience celebrating the detritus of human habitation and acknowledging the illusion of the shelter's authenticity Anarchist's Guide to Historic House Museums offers a wry but informed rule breaking perspective from authors with years of experience and gives numerous vivid examples of both good and not so good practices from house museums in the U S

Staging Fairyland Jennifer Schacker,2018-12-17 Examines pantomime and theatricality in nineteenth century histories of folklore and the fairy tale In nineteenth century Britain the spectacular and highly profitable theatrical form known as pantomime was part of a shared cultural repertoire and a significant medium for the transmission of stories Rowdy comedic and slightly risqu pantomime productions were situated in dynamic relationship with various forms of print and material culture Popular fairy tale theater also informed the production and reception of folklore research in ways that are often overlooked In *Staging Fairyland* Folklore Children's Entertainment and Nineteenth Century Pantomime Jennifer Schacker reclaims the place of theatrical performance in this history developing a model for the intermedial and cross disciplinary

study of narrative cultures The case studies that punctuate each chapter move between the realms of print and performance scholarship and popular culture Schacker examines pantomime productions of such well known tales as Cinderella Little Red Riding Hood and Jack and the Beanstalk as well as others whose popularity has waned such as Daniel O'Rourke and The Yellow Dwarf These productions resonate with traditions of impersonation cross dressing literary imposture masquerade and the social practice of fancy dress Schacker also traces the complex histories of Mother Goose and Mother Bunch who were often cast as the embodiments of both tale telling and stage magic and who move through various genres of narrative and forms of print culture These examinations push at the limits of prevailing approaches to the fairy tale across media They also demonstrate the degree to which perspectives on the fairy tale as children's entertainment often obscure the complex histories and ideological underpinnings of specific tales Mapping the histories of tales requires a fundamental reconfiguration of our thinking about early folklore study and about fairy tales their bearing on questions of genre and ideology but also their signifying possibilities past present and future Readers interested in folklore fairy tale studies children's literature and performance studies will embrace this informative monograph

Inside the Lost Museum Steven Lubar, 2017-08-07 Museum lovers know that energy and mystery run through every exhibition Steven Lubar explains work behind the scenes collecting preserving displaying and using art and artifacts in teaching research and community building through historical and contemporary examples especially the lost but reimaged Jenks Museum at Brown University

Superman in Myth and Folklore Daniel Peretti, 2017-10-05 Superman rose from popular culture comic books newspaper strips radio television novels and movies but people have so embraced the character that he has now become part of folklore This transition from popular to folk culture signals the importance of Superman to fans and to a larger American populace Superman's story has become a myth dramatizing identity morality and politics Many studies have examined the ways in which folklore has provided inspiration for other forms of culture especially literature and cinema In *Superman in Myth and Folklore* Daniel Peretti explores the meaning of folklore inspired by popular culture focusing not on the Man of Steel's origins but on the culture he has helped create Superman provides a way to approach fundamental questions of human nature a means of exploring humanity's relationship with divinity an exemplar for debate about the type of hero society needs and an articulation of the tension between the individual and the community Through examinations of tattoos humor costuming and festivals Peretti portrays Superman as a corporate owned intellectual property and a model for behavior a means for expression and performance of individual identity and the focal point for disparate members of fan communities As fans apply Superman stories to their lives they elevate him to a mythical status Peretti focuses on the way these fans have internalized various aspects of the character In doing so he delves into the meaning of Superman and his place in American culture and demonstrates the character's staying power

The Stars of Ballymenone, New Edition Henry Glassie, 2016-09-12 In the time of the Troubles when bombs blew through the night and soldiers prowled down the roads

Henry Glassie came to the Irish borderland to learn how country people endure through history. He settled into the farming community of Ballymenone beside Lough Erne in the County Fermanagh and listened to the old people. For a decade he heard and recorded the stories and songs in which they outlined their culture, recounted their history, and pictured their world. In their view, their world was one of love, defeat, and uncertainty, demanding the virtues of endurance, faith, bravery, and wit. Glassie's task in this book is to set the scene, to sketch the backdrop and clear the stage so that Hugh Nolan and Michael Boyle, Peter Flanagan, Ellen Cutler, and their neighbors can tell their own tale, which explains their conditions and converts them into a tragedy of conflict and a comedy of the absurd. It gathers the saints and warriors and celebrates the stars whose wit enabled endurance in days of violence and deprivation. With patience and respect, Glassie describes life in a time and a place exactly like no other, and yet Ballymenone is like a thousand other places where people work on the land during the day and tell their own tales at night, forgotten while the men of power fill the newspapers and history books by sending poor boys out to be killed. *The Stars of Ballymenone* is an integrated analysis of the complete repertory of verbal art from a rural community where storytelling and singing of quality remained a part of daily life.
