Counterpart Kiem Do, Julie Kane, 1998 Presenting particular events from a Vietnamese perspective this book offers an intimate look at the human side of war at the Vietnamese culture and at the relationship between the men of the Vietnamese Navy and their American counterparts 17 photos 2 maps *The ARVN and the Fight for South Vietnam* Nghia M.

Vo, 2021-09-09 With the withdrawal of French forces from South Vietnam in 1955 the U S took an ever widening role in defending the country against invasion by North Vietnam By 1965 the U S had Americanized the war relegating the Army of the Republic of Vietnam ARVN to a supporting role While the U S won many tactical victories it had difficulty controlling the territory it fought for As the war grew increasingly unpopular with the American public the North Vietnamese launched two large scale invasions in 1968 and 1972 both tactical defeats but strategic victories for the North that precipitated the U S policy of Vietnamization the drawdown of American forces that left the ARVN to fight alone This book examines the maturation of the ARVN and the major battles it fought from 1963 to its demise in 1975 Despite its flaws the ARVN was a well organized and disciplined force with an independent spirit and contributed enormously to the war effort Had the U S Vietnamized the war earlier it might have been won in 1967 1968 Historical Dictionary of the War in Vietnam Ronald B.

Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War **River Warfare in**

Vietnam Robin L. Rielly, 2024-02-19 America s entrance into the wars in Vietnam came as a result of several factors Among them was the necessity of bolstering French influence in the area in the face of mounting communist expansion This expansion was intensified by the outbreak of the Korean War making it necessary for the United States to revamp its Southeast Asian policy During the French era control of Vietnam s rivers streams and canals became necessary This led various factions to develop specialized military units heavily dependent on new types of river craft that could traverse the

myriad waterways in Vietnam The focal point of this study is a new assessment of the conduct of river warfare Drawing on little known French Vietnamese and American sources and materials it sheds light on an important aspect of the Vietnam War Chapters also detail numerous aspects of river warfare not generally covered in other books on the subject *End of the Saga: The Maritime Evacuation of South Vietnam and Cambodia* Malcolm Muir,2019-09-16 President Nixon with his Secretary of State Henry Kissinger developed the Paris Agreement Treaty that offered the United States peace and honor by bringing home American prisoners of war and ending combat operations for the U S armed forces During this time frame political scandals were underway around Nixon s Watergate affair that involved Nixon s direction of illegal activities and his efforts to cover up those crimes that led to Nixon s resignation and Gerald Ford resuming title as President of the United States POTUS Now the U S Navy was embarking on a large number of refugees and positioning itself towards the Philippines and Guam The unexpected number of refugees that could pose a potential security concern worried the Navy and they made arrangements to offload many of them to both Guam and the Philippines Medical attention was also provided to many of these refugees You will also read about the recovery of the SS Mayaguez by the Henry B Wilson guided missile destroyer that was able to intercept the Mayaguez ship as it entered into international waters This final volume within the series chronicles how as the decades long struggle in Southeast Asia came to a climax in the spring of 1975 the U S Navy and Marine Corps saved thousands of U S citizens and pro American Vietnamese and Cambodians from the victorious Communist forces Related products Other volumes within The U S Navy and the Vietnam War series include Approaching the Storm Conflict in Asia 1945 1965 ePub ISBN 9780160928604 Nixon s Trident Naval Power in Southeast Asia 1968 1972 ePub ISBN 9780160928697 The Battle Behind Bars Navy and Marine POWs in the Vietnam War ePub ISBN 9780160928635 Navy Medicine in Vietnam Passage to Freedom to the Fall of Saigon ePub ISBN 9780160928666 Combat at Close Quarters Warfare on the Rivers and Canals of Vietnam ePub ISBN 9780160955556 Knowing the Enemy Naval Intelligence in Southeast Asia ePub ISBN 9780160937361 Fourth Arm of Defense Sealift and Maritime Logistics in the Vietnam War ePub ISBN 978016095543 Vietnam War Refugees in Guam Nghia M. Vo,2022-04-06 More than 130 000 South Vietnamese fled their homeland at the end of the Vietnam War Tens of thousands landed on the island of Guam on their way to the U S Many remained there Guamanians and U S military personnel welcomed them Funded by a 405 million Congressional appropriation Operation New Life was among the most intensive humanitarian efforts ever accomplished by the U S government with the help of the people of Guam Without it many evacuees would have died somewhere in the Pacific Ocean This book chronicles a part of the first mass migration of Vietnamese boat people before and after the fall of Saigon in April 1975 a story still unfolding almost half a century later Political Warfare in Republican Vietnam Robert A. Silano,2024-08-22 This work examines the development of the Republic of Vietnam Armed Forces as a national institution explores the historical origins of the political warfare system and assesses that system s nurturing of military morale popular

support and ways to weaken enemy resolve North Vietnam in the 1940s and South Vietnam in the 1960s embraced the system of political control over the military that was developed in Soviet Russia after the Bolshevik Revolution and in Republican China in the 1920s where it influenced both the Nationalist and Communist movements The book discusses the overall effectiveness of political warfare activities in the Republic of Vietnam s army the advice and support offered by the U S military to the South Vietnamese political warfare establishment and the consequences of the war s end for the members of the Republic of Vietnam Armed Forces who served in the political warfare system

Why South Vietnam Fell Anthony James Joes, 2014-10-16 Between 1954 and 1963 President Ngo Dinh Diem against great odds but with U S assistance built a functioning South Vietnamese state But gravely misled by American journalists in Saigon the U S embassy in league with second tier members of the State Department urged certain South Vietnamese generals to stage a coup against Diem resulting in his brutal murder Despite the instability after Diem s murder the South Vietnamese Army performed well during the 1968 Tet Offensive and the 1972 Easter Offensive In proportion to population South Vietnamese Army losses were much greater than American losses Nevertheless the American media ignored South Vietnamese sacrifices and completely misrepresented the consequences of the Tet Offensive The disastrous peace agreement the U S forced on the South Vietnamese in 1973 made continuing American support vital But Congress began to slash aid to South Vietnam so that its soldiers had to fight on with dwindling supplies of fuel ammunition and medicine Under these circumstances the South Vietnamese attempted to regroup their army into the provinces around Saigon an effort that ended in disaster The final chapter reflects on the meaning of the conflict and the tragedy that abandonment by Washington and conquest by Hanoi brought upon the South Vietnamese people An Appendix presents a strategy for preserving a South Vietnamese state with the commitment of a relatively small number of U S forces

Wills **The Lucky Few** Jan Herman, 2013-11-15 As the Vietnam War reached its tragic climax in the last days of April 1975 a task force of U S Navy ships cruised off South Vietnam s coast Their mission was to support the evacuation of American embassy personnel and military advisers from Saigon as well as to secure the safety of the South Vietnamese whose lives were in endangere d by the North Vietnamese victory The Lucky Few recounts the role of the USS Kirk in the rescue of remnants of the South Vietnamese fleet and the refugees on board The story of the Kirk reflects one of America s few shining moments at the end of the Vietnam War Now in paperback in time for the 40th anniversary of the end of the war The Lucky Few brings to life the heroism of Captain Paul Jacobs and the crew of the USS Kirk
