Official CIA Manual: Human Resource Exploitation Training Manual Central Intelligence Agency CIA,2019-11-18 This manual the HUMAN RESOURCE EXPLOITATION TRAINING MANUAL dated 1982 is the source of much of the INTERROGATION TRAINING GIVEN OUT TO VARIOUS CIA TEAMS AROUND THE WORLD It describes interrogation techniques including among other things coercive counterintelligence interrogation of resistant sources This is the oldest manual and describes the use of abusive techniques as exemplified by two references to the use of electric shock in addition to use of threats and fear sensory deprivation and isolation *C.I.A. KUBARK Counterintelligence Interrogation Manual* Central Intelligence Agency,1963-06-01 The Premier Edition of this rare Cold War era Manual This 128 page handbook originally classified Secret from 1963 was a comprehensive guide for training interrogators in the art of obtaining intelligence from resistant sources It was originally obtained under the Freedom of Information Act by the Baltimore Sun newspaper in 1997 The full contents of two separate versions of the document declassified 17 years apart are detailed in this new ebook edition KUBARK a CIA codename for itself describes the qualifications of a successful interrogator specific methods of questioning and reviews the theory of non coercive and coercive techniques for breaking a prisoner psychologically It also delves into the use of drugs hypnosis and sensory deprivation as well as other nastier approaches Carefully adapted to ebook format unlike other ebook versions that are poorly formatted disjointed or contain jumbled junk text this superior edition contains both acronym and cryptonym lists so you can better understand the agency lingo and code words used for other intelligence groups agencies programs mentioned This edition also clearly denotes the new declassified in 2014 portions of the manual that were hidden in the original 1997 document release Read the reviews of other versions before buying Loose Cannon prides themselves on creating the best and most accurate ebook editions of rare and obscure classic military training manuals This manual KUBARK Counterintelligence Interrogation was originally obtained under the Freedom of Information Act by the Baltimore Sun newspaper in 1997 CIA Lock Picking: Field Operative Training Manual Central Agency,2012-11-19 CIA Lock Picking Field Operative Training Manual is a work by CIA now brought to you in this new edition of the timeless classic *Safe Houses I Have Known* Steve Healey,2019-09-10 As a child during the height of the Cold War Steve Healey learns that his father is a spy for the CIA Beneath the banality of everyday life the suburbs of Washington DC school and play his parents deteriorating marriage assumed names parallel lives and myriad Cold War menaces linger Drawing from CIA training manuals and pop culture references alike Healey s poetry is both intimate and claustrophobic In these poems the natural anxiety of childhood is compounded by the weight of both national and family secrets and Healey draws deep parallels between the shaky foundations of truth in his past and the paranoia and obfuscation that envelops our nation s present The No-Nonsense Guide to Global Terrorism Jonathan Barker,2008-10-01 This is a highly accessible history of terrorism that looks at core examples from the Middle East instances of state terrorism and

terrorist fringes of political movements It covers the theories justifying and guiding terrorist acts and the battle of images that accompanies them Jonathan Barker has taught political science at the universities of Toronto Arizona and Dar es Salam He has researched local politics in Senegal Tanzania Uganda and India His other books include Street Level Democracy and Rural Communities under Stress

A Question of Torture Alfred McCoy,2007-04-01 A startling expos of the CIA s development and spread of psychological torture from the Cold War to Abu Ghraib and beyond In this revelatory account of the CIA s secret fifty year effort to develop new forms of torture historian Alfred W McCoy uncovers the deep disturbing roots of recent scandals at Abu Ghraib and Guant namo Far from aberrations as the White House has claimed A Question of Torture shows that these abuses are the product of a long standing covert program of interrogation Developed at the cost of billions of dollars the CIA s method combined sensory deprivation and self inflicted pain to create a revolutionary psychological approach the first innovation in torture in centuries The simple techniques involving isolation hooding hours of standing extremes of hot and cold and manipulation of time constitute an all out assault on the victim s senses destroying the basis of personal identity McCoy follows the years of research which he reveals compromised universities and the U S Army and the method s dissemination from Vietnam through Iran to Central America He traces how after 9 11 torture became Washington s weapon of choice in both the CIA s global prisons and in torture friendly countries to which detainees are dispatched Finally McCoy argues that information extracted by coercion is worthless making a case for the legal approach favored by the FBI Scrupulously documented and

grippingly told A Question of Torture is a devastating indictment of inhumane practices that have spread throughout the intelligence system damaging American s laws military and international standing **The Official Senate Report on CIA Torture** U.S. Senate Select Committee on Intelligence,2015-01-06 Now available to the public for the first time the Senate s landmark torture report delivers a damning indictment on CIA interrogation practices Finally declassified and released after five years in the making the Senate Intelligence Committee s report on the CIA s torture program which describes in excruciating detail what Obama has called harsh methods inconsistent with our values as a nation is now available to the American public citizens who have a right to know the truth Considered one of the most important government documents ever to be published the torture report compiles the Senate committee s findings of the CIA s program to detain and interrogate terrorist threats in the aftermath of the September 11 attacks from 2001 to 2006 during the Bush administration Among other controversial conclusions the report has found that the CIA s enhanced interrogation techniques were not effective in acquiring intelligence to avert terrorist threats The study also shows that the CIA misled the public Congress the Department of Justice and even the White House on the effectiveness and the scope and severity of their interrogation techniques The exhaustive and disturbing account also provides grisly accounts on horrific practices that occurred in CIA black sites prisoners experienced sleep deprivation in stressful positions for up to 180 hours being stripped and shackled hooded and dragged down a long corridor while being punched waterboarding and rectal feeding Based on six million CIA documents and requiring 40 million to complete the entire 6 000 page report still remains classified Only 525 pages of summary have been published with 7 percent of its content redacted and it is now at the disposal of American readers who have the opportunity to learn what occurred during this dark chapter in modern American history The Senate report delivers a scathing shocking and controversial judgment and gives us much to think about in terms of our longstanding position on freedom democracy dignity and human rights
