Rafael Domingo, Javier Martínez-Torrón

Cicero De Re Publica Spanish Edition:

Juan de Mariana and Early Modern Spanish Political Thought Harald E. Braun, 2016-05-06 The Jesuit Juan de Mariana 1535 1624 is one of the most misunderstood authors in the history of political thought His treatise *De rege et regis institutione libri tres* 1599 is dedicated to Philip III of Spain It was to present the principles of statecraft by which the young king was to abide Yet soon after its publication Catholic and Calvinist politiques in France started branding Mariana a regicide *De rege* was said to empower the private individual to kill a legitimate king Its pernicious doctrines were blamed for the murder of Henry IV in 1610 and it was burned at the order of the parlement of Paris Modern historians have tended to build on this interpretation and consider *De rege* a stepping stone towards modern pluralist and democratic thought Nothing could be further from the truth The notion of Mariana as an uncompromising theorist of resistance is in fact based on the distorted reading of a few select sentences from the first book of the treatise This study offers a radical departure from the old view of Mariana as an early modern constitutionalist thinker and advocate of regicide Thorough analysis of the text as a whole reveals him to be a shrewd and creative operator of political language as well as a champion of the church and bishops of Castile The argument as a whole is informed by a Catholic Augustinian view of human nature Mariana's bleak at times downright cynical view of man imparts focus and coherence to a text that challenges well established terminological boundaries and political discourses In the first instance his deeply pessimistic appraisal of human virtue justifies his disregard of positive law He is thus able to mould diverse elements extracted from Roman and canon law scholastic theology and humanist literature into a deliberately equivocal discourse of reason of state Finally this secular interpretation of the world of politics is cleverly yoked to a thoroughly clerical agenda of reform In fact reason of state is made to propagate an episcopal monarchy *De rege* is exceptional in that it strings together a curious scholastic theory of the origins of society a conservative ideology of absolute monarchy and a breathtakingly radical vision of theocratic renewal of Spanish government and society *Juan de Mariana and Early Modern Political Thought* elucidates the differentiated nature of political debate in Habsburg Spain It confirms the complexity of Spanish political life in the later sixteenth and early seventeenth century Complementing recent work on Catholic political thought the European reception of Machiavelli and Spanish Habsburg government this study offers a more complete and holistic picture of early modern Spanish political culture **Zibaldone** Giacomo Leopardi, 2013-07-16 A groundbreaking translation of the epic work of one of the great minds of the nineteenth century Giacomo Leopardi was the greatest Italian poet of the nineteenth century and was recognized by readers from Nietzsche to Beckett as one of the towering literary figures in Italian history To many he is the finest Italian poet after Dante Jonathan Galassi's translation of Leopardi's *Canti* was published by FSG in 2010 He was also a prodigious scholar of classical literature and philosophy and a voracious reader in numerous ancient and modern languages For most of his writing career he kept an immense notebook known as the *Zibaldone* or hodge podge as Harold Bloom has called it in which Leopardi put

down his original wide ranging radically modern responses to his reading His comments about religion philosophy language history anthropology astronomy literature poetry and love are unprecedented in their brilliance and suggestiveness and the Zibaldone which was only published at the turn of the twentieth century has been recognized as one of the foundational books of modern culture Its 4 500 plus pages have never been fully translated into English until now when a team under the auspices of Michael Caesar and Franco D Intino of the Leopardi Centre in Birmingham England have spent years producing a lively accurate version This essential book will change our understanding of nineteenth century culture This is an extraordinary epochal publication

Sixteenth-Century Spanish Bookstore William Pettas,1995 An article pub in 1952 on early foreign printers in Burgos mentioned the existence in that city s archives of a 1556 document concerning the shop of the printer bookseller Juan de Junta an Italian by birth son of the famous Florentine publisher Filippo di Giunta The document is a legal contract written in 1556 by the notary Pedro de Espinosa for the lease of the Junta bookstore and print shop in Burgos and also contains a very interesting inventory of everything which was in the shop in that year Few contemporary documents give us as much primary evidence for the kinds of materials a 16th cent Spanish bookstore contained as this document does for it provides the titles of all the books in the stock the number of copies of each title the costs of the individual books in most cases the format of the book and in many cases the city of publication or the name of the publisher

War Beatrice Heuser,2022 War examines the nature of war and presents a genealogy of Western ideas and practices spanning over 2500 years

Bostonia ,1909

Great Christian Jurists in Spanish History Rafael Domingo,Javier Martínez-Torrón,2018-05-10 The Great Christian Jurists series comprises a library of national volumes of detailed biographies of leading jurists judges and practitioners assessing the impact of their Christian faith on the professional output of the individuals studied Spanish legal culture developed during the Spanish Golden Age has had a significant influence on the legal norms and institutions that emerged in Europe and in Latin America This volume examines the lives of twenty key personalities in Spanish legal history in particular how their Christian faith was a factor in molding the evolution of law Each chapter discusses a jurist within his or her intellectual and political context All chapters have been written by distinguished legal scholars from Spain and around the world This diversity of international and methodological perspectives gives the volume its unique character it will appeal to scholars lawyers and students interested in the interplay between religion and law

Architecture and Urbanism in Viceregal Mexico Juan Luis Burke,2021-05-30 Architecture and Urbanism in Viceregal Mexico presents a fascinating survey of urban history between the sixteenth and eighteenth centuries It chronicles the creation and development of Puebla de los Angeles a city located in central south Mexico during its viceregal period Founded in 1531 the city was established as a Spanish settlement surrounded by important Indigenous towns This situation prompted a colonial

city that developed along Spanish colonial guidelines but became influenced by the native communities that settled in it creating one of the most architecturally rich cities in colonial Spanish America from the Renaissance to the Baroque periods This book covers the city s historical background investigating its civic and religious institutions as represented in selected architectural landmarks Throughout the narrative Burke weaves together sociological anthropological and historical analysis to discuss the city s architectural and urban development Written for academics students and researchers interested in architectural history Latin American studies and the Spanish American viceregal period it will make an important contribution to the field

Spanish Treatises on Government, Society and Religion in the Time of Philip II Ronald Truman, 1999-09-09 Centred on a dozen texts in Spanish or Latin composed by Spaniards both laymen and clergy in the Spanish Netherlands as well as Spain this study follows the debate during Philip II s reign concerning the principles purposes and values both secular and religious relevant to rulers and to society at large Part I examines three treatises produced in the Spanish Netherlands in the 1550s Parts II and III respectively study works from the Kingdoms of Castile and the Crown of Aragon in the 1570s and 1580s Part IV considers three Jesuit treatises of the 1590s The resultant picture will interest those concerned with the intellectual religious social and political values of Philip II s Spain whether as considered within its own boundaries or in the larger intellectual context of Western Europe

Cicero De Re Publica Spanish Edition: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Cicero De Re Publica Spanish Edition : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
