But in 1817, when two fools reach him at the same time, the night's fate is split with disastrous consequences for both and their descendants. Half of the descendants have great fates, and the other half have terrible ones. Now Tumble Wilson and Blue Montgomery are determined to fix their ancestors' mistakes and banish the bad luck that's followed them around for all of their lives. They're going to face Munch, the gator, themselves, and they're going to reclaim their destinies. But what if the legend of Munch is nothing but a legend after all?
