City of Wrong Muḥammad Kāmil Ḥusayn,1966 Jerusalem and Babylon J. Vanoort,Johannes “van” Oort,1991 This book provides a new introduction to Augustine s City of God and his doctrine of the two cities sources of this doctrine in Manichaeism Neo Platonism and the pre Augustinian Jewish and Jewish Christian traditions Jerusalem in Prophecy Gerald Flurry,Philadelphia Church of God,2013-10-17 Jerusalem means city of peace and yet this city s history has been filled with rivers of blood No city has suffered like Jerusalem It has known almost no peace But there is very good news God established Jerusalem to be a city of peace and will one day make sure that it becomes so It is actually the city from which God s family will rule the entire universe In this booklet O Jerusalem Jerusalem Israel s Deadly Wound Jerusalem About to Explode Looking to New Jerusalem City of Gods: The New Jerusalem of John’s Revelation in Early Christianity Nathan Betz,2025-02-03 This is the story of the great and final city of John s Revelation Plumbing the first three centuries of Christian literature this careful narrative highlights the early significance of one of the most influential evocative and controversial images in Christian scripture Chronicling how dozens of early writers from Justin and Irenaeus to Origen and Methodius and from the Montanists to Tertullian Victorinus and Lactantius imagined and applied the coming New Jerusalem the study demonstrates how the city regardless of its myriad and often competing interpretations always pointed to the highest possible union of God and humanity both here and now and in the age to come *The New Jerusalem* G. K. Cherston,2005-09-20 Purchase one of 1st World Library s Classic Books and help support our free internet library of downloadable eBooks Visit us online at www.1stWorldLibrary.ORG This book is only an uncomfortably large note book and it has the disadvantages whether or no it has the advantages of notes that were taken on the spot Owing to the unexpected distraction of other duties the notes were published in a newspaper as they were made on the spot and are now reproduced in a book as they were published in the newspaper The only exception refers to the last chapter on Zionism and even there the book only reverts to the original note book A difference of opinion which divided the writer of the book from the politics of the newspaper prevented the complete publication of that chapter in that place I recognise that any expurgated form of it would have falsified the proportions of my attempt to do justice in a very difficult problem but on re reading even my own attempt in extenso I am far from satisfied that the proper proportions are kept I wrote these first impressions in Palestine where everybody recognises the Jew as something quite distinct from the Englishman or the European and where his unpopularity even moved me in the direction of his defence But I admit it was something of a shock to return to a conventional atmosphere in which that unpopularity is still actually denied or described as mere persecution It was more of a shock to realise that this most obscurantist of all types of obscurantism is still some times regarded as a sort of liberalism
