notes on this adaptation

One of many fairy tales popularized by Disney, elements of the "Cinderella story" are popular and well-known throughout history and different cultures. The earliest recorded version is the story of Yeh-Shen from China, which features a magical fish instead of a Fairy Godmother. The story of Angkat from Cambodia is similar, but has a more bittersweet ending. The famed Brothers Grimm also recorded a version of this story, but *Speakaboos* draws mostly from the Charles Perrault version, which features strong themes of motherhood.

Human Rights in Children's Literature Jonathan Todres, Sarah Higinbotham, 2016 How can children grow to realize their inherent human rights and respect the rights of others? This book explores this question through children's literature from *Peter Rabbit* to *Horton Hears a Who!* to *Harry Potter*. The authors investigate children's rights under international law, identity, and family rights, the right to be heard, the right to be free from discrimination, and other civil, political, economic, social, and cultural rights, and consider the way in which those rights are embedded in children's literature. This book traverses children's rights, law, literary theory, and human rights education to argue that in order for children to fully realize their human rights, they first have to imagine and understand them.
