Harness the power of prayer The front lines of the clash between the kingdoms of darkness and light do not usually happen  
in our churches they happen in our lives in our workplaces neighborhoods where our children go to school in our voting  
booths and in the halls of influence Our churches should be places of equipping and coordinating but then we have to take  
this fight to the streets through daily prayer When Kingdoms Clash takes you from the planning stages and strategies of  
prayer into the heat of the battle showing you how to stand strong when things get intense Using historical illustrations and  
teaching from Scripture Cindy Trimm provides the tools you need to understand the power of prayer as never before Battles  
are raging and the stakes are high only through prayer will God's kingdom prevail      *The Prayer Warrior's Way* Trimm  
Cindy, 2024-10-14 FROM THE BEST SELLING AUTHOR OF RULES OF ENGAGEMENT There is a conversation that has been  
going on long before this universe was created A conversation taking place in the spiritual realm In the Garden of Eden Adam

and Eve were part of it Throughout the history of humanity others have joined it and there is something buried in each of our hearts that tells us we were created to be part of it as well We long for it We yearn to be in on it But despite giving our lives to Christ and being born again in the Spirit we don't always know how to plug into it So we stay in earth's chat rooms rather than praying from heaven's throne room Even Jesus' disciples did not ask Him how to preach but how to pray The Prayer Warrior's Way is a practical guide for praying enabling you to become versed in the basics necessary for talking to and hearing from God for yourself Following the revolutionary prayer model Jesus gave to His disciples Cindy Trimm gives you the keys to joining the most important conversation in the universe Passing Orders S. Jonathon O'Donnell, 2020-12-01

Demonization has increasingly become central to the global religious and political landscape *Passing Orders* interrogates this centrality through an analysis of evangelical spiritual warfare demonologies in contemporary America Situating spiritual warfare as part of broader frameworks of American exceptionalism ethnonationalism and empire management author S. Jonathon O'Donnell exposes the theological foundations of the systems of queer and transphobia anti-blackness Islamophobia and settler colonialism that justify the dehumanizing practices of the current U.S. political order O'Donnell argues that demonologies are not only tools of dehumanization but also ontological and biopolitical systems that create and maintain structures of sovereign power or orthotaxies models of the right ordering of space time and bodies that stratify humanity into hierarchies of being and nonbeing Alternative orders are demonized as passing framed as counterfeit transgressive and transient Yet these orders refuse to simply pass on instead giving strength to deviant desires that challenge the legitimacy of sovereign violence Critically examining this challenge in the demonologies of three figures Jezebel the Islamic Antichrist and Leviathan *Passing Orders* reimagines demons as a surprising source of political and social resistance reflecting fragile and fractious communities bound by mutual passing and precarity into strategic coalitions of solidarity subversion and survival
