Cities Plains And People Poems By Lawrence Durrell:

Lawrence Durrell's Poetry Isabelle Keller-Privat, 2019-04-25 This book offers the first in depth analysis of Lawrence Durrell's entire poetic opus from his early collections in the 1940s up to his last one published in 1973. Thirty years of Durrellian poetry are brought together in order to unveil the genesis of Durrell's writing both poetic and fictional, drawing links to his novels and residence books which he kept writing at the same time. Durrell thus appears as first and foremost one of the greatest late modernist poets whose literary and epistemological investigations are to be understood in the light of a worldwide network of literary brotherhoods including T. S. Eliot, Michael Fraenkel, Henry Miller and David Gascoyne. Simultaneously, this book shows why Durrell must also be read as the heir to the greatest English romantic poets: Byron, Shelley, Keats and Wordsworth, as well as to the French symbolists and modernists from Baudelaire to Nerval, Valéry and Cendrars. This comparative approach opens up a brand new perspective on Durrell that has not yet been broached by North American and English scholarship. The symbolic patterns, the stylistic ploys and the aesthetic and philosophic tenets that characterize Durrell's poetics account for the necessary back and forth reading that connects prose and poetry, the fictional and the lyrical, the descriptive and the abstract. Poetry excerpts, extracts from his residence books, novels and essays highlight not only Durrell's complex literary strategies but also the ontological quest of a writer who, although never at home with the world he lived in, strove to create a life world, what semiologists call the *Umwelt*. Lawrence Durrell, 2011-12-15 In this new selection from the poetry of Lawrence Durrell, the first for thirty years, Peter Porter has drawn on the full range of the published work from *A Private Country* (1943) to *Vega* (1973) and has provided a long overdue revaluation of Durrell's poetic career. In his detailed and generous introduction, Porter makes the case for *A Private Country* as one of the most accomplished debut collections of the twentieth century and traces Durrell's preoccupations and poetic personality within the wider scene. The selection of poems makes its own strong case for the continuing power and originality of this attractive metropolitan and wholly individual body of work. *Lawrence Durrell* Ian S.

MacNiven, 2020-08-11 The prize-winning biography of the celebrated author of the *Alexandria Quartet* and the *Avignon Quintet*, an elegant and meticulous treat. *Kirkus Reviews* A New York Times Notable Book. Born in colonial India in 1912, Lawrence Durrell established his literary reputation as a citizen of the Mediterranean. After attending school in England, Durrell escaped the country he dubbed 'Pudding Island' for the Greek island of Corfu, only to make another escape this time from Nazi invasion to Egypt. His experiences in wartime Alexandria led to a quartet of novels beginning with *Justine*, that are collectively considered some of the great masterpieces of postwar fiction. Durrell's peripatetic life, which eventually took him to the South of France, fed his work with the richness and drama of his various adoptive homes. A man of protean talents, Durrell is celebrated for his fiction and poetry as well as his highly regarded translations, essays and travel literature. In researching this authorized biography, Ian S. MacNiven traveled over a period of twenty years from India to California.
