Hamilton,2002-01-16 A small group of friends live in a tiny town barely with 300 people One Jane who hates it the most always wishes for something more of an adventure something exciting for her and her friends to do Edward George and Elizabeth Over a school day the friends get an adventure that will forever change their way of thinking and their way of life The friends travel to a world where everything seems perfect but where would the adventure be The Way Michelle Webster,2024-07-10 I think we can all agree that life is hard There seems to be no end to the troubles heartaches misfortune problems and craziness that come hand in hand with life here on earth The good news is there is help We are not meant to walk through life alone God did not abandon us in this crazy world to figure it all out on our own or did he leave us to fend for ourselves The God of the universe is always present and available to be known by all who seek him Sadly many of us waste our whole lives searching this world to fill us with what only God can and that which he has already freely provided to each of us We look for love answers help and even our own identities in all the wrong places We must stop wasting whatever precious time we have been given searching this world for answers it can t provide Through Jesus we already gained direct access to the source of all life the Creator of all things God is where our help comes from and his Word is where we get answers God provides with his unlimited resources and abundance to anyone who calls on him God s power is unmatched and it is infinite Nothing is impossible for God God has already empowered each of us with all the tools necessary for navigating this world he not only sent Jesus to show us the way but he also gave us his Holy Spirit as our personal helper God also armed us with the written manual for tackling all of life s many questions and providing guidance for overcoming all of life s challenges he gave us the Bible Through years of walking with the Lord and studying his Word the truths of the Bible and the way to everlasting life have never been clearer to me While I am learning and growing more in my faith every day I have discovered absolute truth in the Word of God truth that must be shared These truths God desires all people to know The glorious treasures found in the Bible are invaluable and life giving and are meant for all people everywhere The truth and hope found in scripture is exactly what this world so desperately needs Join me as I attempt to unpack all the glorious truths and promises that God has for each of us found in scripture Wherever you are on your faith journey God has so much more to show you His great love for you has no end and his goodness and blessings are new each day He has a perfect plan and purpose for your life God is patiently waiting for you to choose to walk through life with him and discover all he has destined for you Truth is power and God s power is available to all who seek it Allow God to lead you in the way to everlasting Journey with him and you will discover a life well lived a life filled with true love joy hope peace and happiness **Memories of the Way It Was** K.L. Smith,2025-10-04 Memories of the Way It Was is a random collection of my thoughts and memories of my life As an elderly adult I have time to sit for hours and reminisce and

remember moments from my past I have time to analyze the past moments of my life and how these past moments have helped shape me into the person that I am In the pages of this book I have written stories about friends and relatives from my past and present I have written a partial accounting of my family s history according to how it was told to me and from my personal observations and experiences I was there in the flesh to live these moments and I am left with precious memories All my life I have had vivid dreams that seemed real Strange and unusual things happen in my dreams Strange and unusual things happen in my life I was raised by an extremely superstitious mother who had prophetic dreams My head and heart are filled with memories of so many things in life that my parents told me I have so many memories of my siblings and the things I learned from them The days that I lived are gone forever The way things were will never be that way again These days will only be remembered by those who lived them or from the pages of the books written about those moments from the past Those days are gone forever Soon these memories will die with those who lived them That is why I have written twelve books full of the way life was in the 1940s up until the present day My mother used to tell me and my siblings stories of her past I wanted my children and grandchildren to know her stories as well as my own stories The next generation will have stories of their own to tell but life as my parents lived it and as I lived it will never be again When I explore my memories of the way things were I believe we were once better people than we are today As I get older I find that a lot of things no longer matter It does not matter to me who my relatives were or where they came from All that matters is that I was born and had the privilege of living the four seasons of my life in God s beautiful world Ultimately we are all God s children and brothers and sisters in Christ We are all connected through God My book is written in no particular order Each chapter is a stand alone story that can be read randomly just as it is written Each chapter is a piece of my life and heart I pray that my stories and ramblings will stoke memories and bring pleasure to anyone who reads them I am thankful for the people places and the events that make up the days of my life I am incredibly grateful for the life that God has allowed me to live *Lucky Enough*

Chris Yandle,2018-12-18 When my daughter started fourth grade it was Addison s fourth school in five years It wasn t how we planned it but as someone who moved around a lot as a kid I knew this school year was going to be tough Every morning I wrote my daughter a note about life school or growing up and I d slip it in her backpack or her lunch box to find later in the day I shared the notes on Twitter and Facebook using DadLunchNotes Before I knew it the notes became something others were seeking each day including Addison s teacher and principal While I knew others enjoyed the daily life lessons I penned in Sharpie I wanted to stay true to my intended purpose being there for my daughter and helping guide her through this difficult school year *In Search Of Mr. Right* Bernard H.
