[AMC Muscle Cars : Muscle Car Color History](#) Larry G. Mitchell, Anybody who wanted to go toe to toe with the Big Three in the 1960s had to produce credible muscle cars American Motors Corporation did exactly that with the SC Rambler and the incredibly fast AMX Some argue however that AMC s insistence on pouring its relatively limited resources into the muscle wars ultimately led to its demise

Illustrated throughout with modern photography of restored and factory original cars archival images AMC concept drawings period advertisements and cutaway illustrations this color history primarily focuses on the conception development production and performance of the AMX as well as the Javelin upon which it was based Special models like the Mark Donohue Signature Edition Javelin along with the less than well received Marlin Rebel SST Hornet 360 Gremlin X and others are also included
