True-true Name Pamela Mordecai, Betty Wilson, 1989 31 women writers from throughout the Caribbean express the loss and the longing the pride and passion of the Caribbean identity **Caribbean Women Writers** Harold Bloom, 1997 They have written of mother tongues and motherlands of exile of the boundaries of bodies of the politics of owning and not owning themselves Though worlds apart writings as diverse as Jean Rhys's Wide Sargasso Sea published in 1966 and Jamaica Kincaid's Autobiography of My Mother published 30 years later nevertheless share a setting of shocking yet sinister beauty a sense of the loss of a mother and the implications of this loss upon one's self and a deeply resonant literary heritage

Caribbean Women Writers and Globalization Professor Helen C Scott, 2013-04-28 Caribbean Women Writers and Globalization offers a fresh reading of contemporary literature by Caribbean women in the context of global and local economic forces providing a valuable corrective to much Caribbean feminist literary criticism Departing from the trend towards thematic diasporic studies Helen Scott considers each text in light of its national historical and cultural origins while also acknowledging regional and international patterns Though the work of Caribbean women writers is apparently less political than the male dominated literature of national liberation Scott argues that these women nonetheless express the sociopolitical realities of the postindependent Caribbean providing insight into the dynamics of imperialism that survive the demise of formal colonialism In addition she identifies the specific aesthetic qualities that reach beyond the confines of geography and history in the work of such writers as Oonya Kempadoo Jamaica Kincaid Edwidge Danticat Pauline Melville and Janice Shinebourne Throughout Scott's persuasive and accessible study sustains the dialectical principle that art is inseparable from social forces and yet always strains against the limits they impose Her book will be an indispensable resource for literature and women's studies scholars as well as for those interested in postcolonial cultural and globalization
