Delivering Views Distant Cultures In Early Postcards:

DELIVERING VIEWS GEARY CM,1998-04-17 The six contributors to this illustrated volume show how images of Plains Indians World s Fair cards and portraits from Africa the Pacific Islands Australia New Zealand and Japan documented distant cultures but also reinforced Western biases by emphasizing the seemingly vast cultural differences between viewers and subjects The authors discuss the differences between original photographs and their postcard equivalents and they explore in detail common practices such as artificial settings costumes and props colorization and patronizing captions that perpetuated racist sexist and romantic stereotypes Drawing on anthropological historical and art historical analyses contributors examine examples from both public and private collections tracing the postcard s overlapping roles as souvenir collectible and popular art form Dust jacket

Public Space and the Ideology of Place in American Culture ,2009-01-01 We typically take public space for granted as if it has continuously been there yet public space has always been the expression of the will of some agency person or institution who names the space gives it purpose and monitors its existence And often its use has been contested These new essays written for this volume approach public space through several key questions Who has the right to define public space How do such places generate and sustain symbolic meaning Is public space unchanging or is it subject to our subjective perception Do we given the public nature of public space have the right to subvert it These eighteen essays including several case studies offer convincing evidence of a spatial turn in American studies They argue for a re visioning of American culture as a history of place making and the instantiation of meaning in structures boundaries and spatial configurations Chronologically the subjects range from Pierre L Enfant s initial majestic conceptualization of Washington D C to the post modern realization that public space in the U S is increasingly a matter of waste Topics range from parks to cities to small towns from open air museums to airports encompassing the commercial marketing of place as well as the subversion and re possession of public space by the disenfranchised Ultimately public space is variously imagined as the site of social and political contestation and of aesthetic change

German Colonialism, Visual Culture, and Modern Memory Volker Langbehn,2010-07-01 There is no overarching master narrative in understanding the history of German colonialism and over the past decade the study of Germany s colonial past has experienced a dramatic transformation in its scope of inquiry Influenced by new theoretical and methodological approaches to the study of race nationalism and globalization these new studies initiate a process of reevaluating and redefining the parameters within which German Colonialism is understood The role of visual materials in particular is ideal for exploring the porousness of disciplinary boundaries though visual culture studies pertaining to German history and especially German colonialism have previously been almost completely neglected Investigating visual communication and mass culture print culture and suggestive racial politics racial aesthetics racial politics and early German film racial continuity and German film and photography *German Colonialism Visual Culture and Modern Memory* offers compelling evidence of a German society between 1884 and 1919 that

produced vibrant and heterogeneous and at times contradictory cultures of colonialism This collection of new essays illustrates the dramatic changes and vast array of perspectives that have recently emerged in the study of German colonialism In documenting the latest cutting edge research of German colonial history the contributors to this volume prove wrong the persistent assumptions that the creation of Germany's colonial empire did not have any lasting impact on German political and cultural life Their essays document how colonialism in its various forms was entwined with the inner workings of modern German life and society especially through the cultural and technical innovations of its time In contrast to existing research these studies show that colonial Germany played a significant role in shaping German perceptions of racial difference influenced German support for World War I and facilitated the construction of German nationalism German Colonialism Visual Culture and Modern Memory uniquely demonstrates that the visual culture of colonialism is closely linked to the fascination with new modes of seeing and the enigma of visual experience that have become trademarks of modernity

Open Letters Alison Rowley, 2013-12-11 During the fin de siècle and early revolutionary eras picture postcards were an important medium of communication for Russians of all backgrounds In Open Letters the most comprehensive study of Russian picture postcards to date Alison Rowley uses this medium to explore a variety of aspects of Russian popular culture The book is lavishly illustrated with more than 130 images most of which have never been published before Through her examinations of postcards Rowley addresses a diverse range of topics how landscape postcards conveyed notions of imperialism the role of postcards in the rise of celebrity culture depictions of the body on erotic and pornographic postcards how postcards were employed to promote differing interpretations of the First World War and the use of postcards by revolutionary groups seeking to overthrow the Tsarist government Rowley determines the extent to which Russia was embedded in Europe wide cultural trends by situating the Russian case within a larger European context *Social Memory and Heritage Tourism Methodologies* Stephen P. Hanna, Amy E. Potter, E. Arnold Modlin, Perry Carter, David L. Butler, 2015-02-11 The examination of social memory and heritage tourism has grown considerably over the past few decades as scholars have critically re-examined the relationships between past memories and present actions at international national and local scales Methodological innovation and reflection have accompanied theoretical advances as researchers strive to understand representations experiences thoughts emotions and identities of the various actors involved in the reproduction of social memory and heritage landscapes *Social Memory and Heritage Tourism Methodologies* describes and demonstrates innovations including qualitative quantitative and mixed method approaches for analysing the process and politics of remembering and touring the past through place An introductory chapter looks at the history of social memory and heritage tourism research and the particular challenges posed by these fields of study In subsequent chapters the reader is led through the varying methodologies employed by presenting them in the context of an in-depth case study from range of geographical locations The resulting volume showcases innovative research in social memory and heritage tourism and

provides the reader with insights into how they can successfully conduct their own research while avoiding common pitfalls This title will be useful reading for scholars professionals and students in tourism geography anthropology and museum studies who are preparing to conduct research on the reproduction of social memory in particular landscapes and places or are interested in investigating heritage tourism practices and representations **Indian Architecture in Postcards**

Éléonore Muhidine,2023-07-06 Focusing on a private collection of 60 postcards of modern architecture in Mumbai New Delhi Kolkata Chennai and Agra the contributors to this volume explore the many dimensions of modern architecture in India from the 1890s to the 1970s and share their own perspective on these objects Experts on architectural history and visual studies as well as postcard collectors provide new insights into a territory and its architectural heritage which is still largely unknown in Europe and reflect on the postcard as a medium for historical research **Expert Modernists, Matricide and Modern Culture**

L. Cucullu,2004-08-13 This book links the leading innovators of modernism to the cult of the modern expert In historicizing modernism as a distinct mode of knowledge that competes with other forms of expertise from law to psychology Lois Cucullu shows how three modernist experts Woolf Forster and Joyce used technical innovations in the novel to replace reigning Victorian beliefs about marriage procreation and the family Modernist narratives of consciousness and bodies convert the gendered domestic sphere into an aesthetic one that grants cultural reproduction and a modern cultural class the centrality once accorded biological reproduction and the bourgeois household **Imagining la Chica Moderna**

Joanne Hershfield,2008-06-27 A look at how the modern woman was envisioned in postrevolutionary Mexican popular culture and how she figured in contestations over Mexican national identity **Gender, Sexuality and Colonial Modernities**

Antoinette Burton,2005-08-05 Gender Sexuality and Colonial Modernities presents exciting new perspectives on modern colonial regimes to researchers and students in gender studies history and cultural studies Colonialist Photography

Eleanor M. Hight,Gary D. Sampson,2013-06-17 Colonialist Photography is an absorbing collection of essays and photographs exploring the relationship between photography and European and American colonialism The book is packed with well over a hundred captivating images ranging from the first experiments with photography as a documentary medium up to the decolonization of many regions after World War II Reinforcing a broad range of Western assumptions and prejudices Eleanor M Hight and Gary D Sampson argue that such images often assisted in the construction of a colonial culture
