Delaware From Sea To Shining Sea Second

Megan Pugh

Delaware From Sea To Shining Sea Second:

The Shining Sea George C Daughan, 2013-10-08 A few months after the outbreak of the War of 1812 Captain David Porter set out in the USS Essex on an epic seventeen month cruise to the South Seas Porter was pursuing fame and riches and by most accounts his odyssey was a stunning success it brought glory to the fledgling American navy cemented Porter's reputation as a daring and talented commander and has long been celebrated as one of the greatest maritime adventures in U S history Less well known however is the terrible price that the crew of the Essex paid for their captain's outsized ambitions In *The Shining Sea* award winning historian George C Daughan tells the full story of Porter's thrilling action packed voyage revealing the heights of Porter's hubris and the true depths of his failure on this fateful cruise Intent on achieving personal glory Porter made the treacherous journey around Cape Horn and into the Pacific Ocean where he planned to capture a British man of war From Valparaiso to the Galapagos to the Marquesas the Essex roamed the South Seas seizing British whaling and merchant ships wreaking havoc on British commerce and earning Porter and his men wealth and acclaim Flush with his victories Porter welcomed the news that a British frigate the HMS Phoebe was on his tail and he resolved to capture her But Porter could not overcome the Phoebe's superior firepower Over the course of a desperate bloody battle he lost the Essex and over two thirds of her crew a shocking end to a daring journey A swashbuckling tale of risk and ruin on the high seas *The Shining Sea* brings to life the monomaniacal quest of one of the most misunderstood commanders of the War of 1812 Porter's singular voyage Daughan shows stands as a cautionary tale for any leader who would put personal glory and ambition ahead of cause and countrymen *To Shining Sea* Stephen Howarth, 1991 A general history of the U S Navy with anecdotes and personality sketches *Social Studies Discoveries on the Net* Anthony D. Fredericks, 2000-10-15 Tap into the budding investigators within youngsters and help them connect to the incredible array of social studies knowledge and resources on the Internet The 75 lessons in this book guide you and your students in exciting Internet projects that target specific content objectives for specific social studies concepts Each unit includes activities questions and lists of relevant Web sites and related literature A great way to motivate students build online technology skills and increase knowledge **Delaware** Dennis B. Fradin, Judith Bloom Fradin, 1995-03 This glorious panorama of America's past and present helps young readers understand how the development of each state fits into the grand mosaic of America's history what each state looks like physically who its most memorable persons have been its landmarks historic sites and natural wonders Graphic delights greet the eye with every turn of a page historic engravings and woodcuts easy to read maps and superb full color photographs Each book also includes a Did You Know section of fascinating and often unusual facts about the state While each book can be read straight through as a fascinating story they also contain a wealth of useful reference material organized for easy access Includes a reference section maps glossary and an index **Article the First of the Bill of Rights** Bryan W. Brickner, 2006-08-01 Constitutional representation is the forgotten story of We the People

The US Constitution in Article 1 Section 2 and Clause 3 as written and never amended guarantees We the People a right to representation at the ratio of one for every thirty Thousand Article the first of the Bill of Rights would have amended the ratio and changed it to fifty thousand But it was not ratified That means one for every thirty thousand remains the supreme law of the land and the constitutional ratio of representation *American Book Publishing Record* ,2003 [America Dancing](#) Megan Pugh,2015-01-01 The history of American dance reflects the nation s tangled culture Dancers from wildly different backgrounds watched imitated and stole from one another Audiences everywhere embraced the result as deeply American Chronicling dance from the minstrel stage to the music video Megan Pugh shows how freedom that nebulous contested American ideal emerged as a genre defining aesthetic Ballerinas mingled with slumming thrill seekers and hoedowns showed up on elite opera house stages Steps invented by slaves captivated the British royalty and the Parisian avant garde Dances were better boundary crossers than their dancers however and the racism and class conflicts that haunt everyday life shadow American dance as well Center stage in America Dancing is a cast of performers who slide glide stomp and swing their way through history At the nadir of U S race relations cakewalkers embraced the rhythms of black America On the heels of the Harlem Renaissance Bill Robinson tap danced to stardom At the height of the Great Depression Fred Astaire and Ginger Rogers unified highbrow and popular art In the midst of 1940s patriotism Agnes de Mille brought jazz and square dance to ballet then took it all to Broadway In the decades to come the choreographer Paul Taylor turned pedestrian movements into modern masterpieces and Michael Jackson moonwalked his way to otherworldly stardom These artists both celebrated and criticized the country all while inspiring others to get moving For it is partly by pretending to be other people Pugh argues that Americans discover themselves America Dancing demonstrates the centrality of dance in American art life and identity taking us to watershed moments when the nation worked out a sense of itself through public movement Publisher s description **America's Anchor** Kennard R. Wiggins, Jr.,2019-01-25 This naval history of the Delaware Estuary spans three centuries from the arrival of the Europeans to the end of the World War II The author describes the shipbuilders and infrastructure and the ships and men who sailed this surprisingly active waterway in peace and in war From Philadelphia to the Delaware Capes the story of the nascent U S Navy and key historical figures emerges Dozens of historic images and four appendices are included [Fish and Wildlife News](#) ,1992 **Fish and Wildlife News** U.S. Fish and Wildlife Service,1991
