Deconstructing Early Childhood Education Social Justice And Revolution:

Deconstructing Early Childhood Education Gaile Sloan Cannella, 1997 From a critical perspective some early childhood educators have proposed that the knowledge base used to ground the field actually serves to support the status quo reinforces prejudices and stereotypes and ignores the real lives of children The purpose of this book is to deconstruct early childhood education identifying and evaluating the themes and forms of discourse that have dominated the field leading to the construction of specific theories and forms of practice that privilege particular groups of children and adults and oppress others An alternative avenue for early childhood education is posited that focuses on social justice and human agency

Deconstructing Early Childhood Education, 2002 **Educating for Social Justice in Early Childhood** Shirley A. Kessler, Beth Blue Swadener, 2019-09-10 Bringing together scholarship and examples from practice this book explores ways in which early childhood curriculum including classroom practices and community contexts can more actively engage with a range of social justice issues democratic principles and anti oppressive practices Featuring a stellar list of expert contributors the chapters in this volume present a cross section of contemporary issues in childhood education The text highlights the voices of children teachers and families as they reflect on everyday experiences related to issues of social justice inclusion and oppression as well as ways young children and their teachers engage in activism Chapters explore curriculum and programs that address justice issues particularly educating for democracy and culminate in a focus on the future offering examples of resistance and visions of hope and possibility Designed for practitioners graduate students and researchers in early childhood this book challenges readers to explore the ways in which early childhood education is and can be engaging with social justice and democratic practices *Doing Foucault in Early Childhood Studies* Glenda MacNaughton, 2005-04-29 Using case studies and real situations this book highlights the important contribution that Foucault and other post structural theorists can make to research and practice in early childhood services *Advancing Equity and Inclusion in Early Childhood Education* Friesen, Amber, Mitsch, Maryssa K., Du, Karina, 2024-07-18 Amidst the positive impact of high quality early childhood education on a child s education health and family outcomes a pressing issue persists major systemic societal inequities These disparities disproportionately affect certain children s access and inclusion in early learning environments creating a landscape where potential remains untapped At this pivotal juncture where the spotlight is on universal access to early childhood learning this book emerges as a beacon of change Titled *Advancing Equity and Inclusion in Early Childhood Education* this project dives deep into the heart of the matter dissecting the challenges that hinder the realization of equitable and inclusive educational opportunities for all young children and their families This book caters to professionals and students across various disciplines involved in supporting young children and their families Designed for early childhood teacher preparation programs higher education institutions alternative certification programs policymakers administrators directors and educators *Advancing Equity and Inclusion in Early Childhood Education* offers

practical insights It guides the creation of equitable and inclusive early childhood programs shapes professional development and encourages ongoing research and evaluation to ensure that innovations contribute to advancing equity and inclusion for all young children

Diverse Early Childhood Education Policies and Practices Amita Gupta,2014-04-29 Diverse Early Childhood Education Policies and Practices explores issues in early childhood education and teacher preparation in five Asian countries India Singapore China Sri Lanka and the Maldives Some observed classrooms in these countries reflect influences that are simultaneously indigenous and colonial local and global By highlighting the diverse and often hybrid classroom pedagogies at work in these 21st century Asian classrooms the discussions in this book take into consideration the influence of globalization on local policies and practices and the challenge educators face when they are expected to reconcile different and sometimes conflicting cultural and pedagogical world views Through a research driven analysis of key issues such as recent revisions to national early childhood education policies perceptions on play based and child centered pedagogy curriculum and learning materials and an emphasis on the teaching of values this book illuminates the diversity of the observed classrooms as well as current trends in early childhood education in parts of Asia The cross national perspective serves to expand and diversify the global discourse of early childhood education and teacher education

Recent Perspectives on Early Childhood Education and Care in Canada Larry Prochner,2012-01-01 Early childhood education is critical for preparing children for success in formal school settings and as such is a major concern throughout the world This volume brings together ground breaking research in this area to help practitioners students policy makers curriculum designers and intervention program developers understand the latest ideas and advances in the field Recent Perspectives of Early Childhood Education and Care in Canada centres on three key themes The first provides a survey of historical social policy economic and provincial regulations and policies related to early childhood education and care The second focuses on issues related to children s learning curriculum and teachers The final theme addresses recent developments in government involvement in early childhood education and care that are unique to Canada The contributors to this volume demonstrate the pressing need that exists to further public discussion on early childhood education to help policymakers shape better decisions for Canadian families

The Child in the World/The World in the Child M. Bloch,D. Kennedy,T. Lightfoot,D. Weyenberg,2006-10-16 The contributors look at universalizing discourses concerning young children across the globe which purport to describe everyone in a scientific and neutral way but actually create mechanisms through which children are divided and excluded The contributors to this book employ post structuralist postcolonial and feminist theoretical frameworks

The SAGE Handbook of Curriculum, Pedagogy and Assessment Dominic Wyse,Louise Hayward,Jessica Pandya,2015-12-03 The research and debates surrounding curriculum pedagogy and assessment are ever growing and are of constant importance around the globe With two volumes containing chapters from highly respected researchers whose work has been critical to understanding and building expertise in the field The SAGE Handbook of Curriculum Pedagogy and

Assessment focuses on examining how curriculum is treated and developed and its impact on pedagogy and assessment worldwide The Handbook is organised into five thematic sections considering The epistemology and methodology of curriculum Curriculum and pedagogy Curriculum subjects Areas of the curriculum Assessment and the curriculum The curriculum and educational policy The SAGE Handbook of Curriculum Pedagogy and Assessment s breadth and rigour will make it essential reading for researchers and postgraduate students around the world

Handbook of Early Childhood Literacy Nigel Hall, Joanne Larson, Jackie Marsh, 2003-10-18 This volume examines early literacy research on a global scale and puts social cultural and historical analyses in the front seat without losing sight of individual and family level matters in the process It is comprehensive ground breaking and provocative and should help literacy researchers to think differently about the field Marjorie Faulstich Orellana School of Education and Social Policy Northwestern University No other publication that I am aware of brings together views from such diverse disciplines contributing to a comprehensive statement about early childhood literacy The Handbook not only reviews the current field of situated literacy but presents some important and exciting new research It is a significant resource that promises to become a landmark text Eve Bearne University of Cambridge Faculty of Education U K This handbook brings together an astonishing array of writers who explore contemporary political cultural and cognitive understandings of early childhood literacy Literacy and literacy acquisition are broadly defined here to encompass not just traditional notions of reading and writing but multimodalities multiliteracies and critical literacies It is rich and comprehensive an invaluable resource for scholars educators and students of early childhood literacy Elsa Auerbach Professor of English University of Massachusetts Boston This book is unique in its broad consideration of topics and its global focus I particularly appreciate how the editors have situated current research in an historical context They have also included development issues pedagogy research and the newest areas of interest critical literacy and popular culture Diane Barone University of Nevada Reno In recent years there has been a virtual revolution in early childhood studies with a mass of books and papers seeking to re examine and reposition childhood At the same time an equally significant area has developed within literacy studies reflecting a growing interest in the nature of literacy as a socially situated phenomenon There is increased interest in literacy as a multimodal concept in which symbolic meaning is a central concept rather than more conventional and narrower notions of literacy The Handbook of Early Childhood Literacy is central in providing access to all these different perspectives The Handbook offers a way through the vast diversity of publications on early childhood literacy by providing comprehensive and up to date reviews of research and thinking in early childhood literacy The arrangement of chapters reflects a contemporary perspective on research into early childhood literacy Major sections include the global world of early childhood literacy childhood literacy and family community and culture the development of literacy in early childhood pedagogy and early childhood literacy and researching early childhood literacy Contributions by leading authorities focus on literacy as a socially situated and global experience one that is evolving in relation to changes in

contemporary culture and technological innovation
