Girl Warriors Svenja Hohenstein, 2019-07-03 Quest narratives are as old as Western culture. In stories like *The Odyssey*, *The Lord of the Rings*, *Star Wars*, and *Harry Potter*, men set out on journeys, fight battles, and become heroes. Women traditionally feature in such stories as damsels in need of rescue or as the prizes at the end of heroic quests. These narratives perpetuate predominant gender roles by casting men as active and women as passive. Focusing on stories in which popular teenage heroines Buffy Summers, Katniss Everdeen, and Disney's Princess Merida embark on daring journeys, this book explores what happens when traditional gender roles and narrative patterns are subverted. The author examines representations of these characters across various media: film, television, novels, posters, merchandise, fan fiction, and fan art, and online memes that model concepts of heroism and girlhood inspired by feminist ideas. **Catching Fire (Hunger Games, Book Two)**

Suzanne Collins, 2010-06-01 The second book in Suzanne Collins's phenomenal and worldwide bestselling *Hunger Games* trilogy. Against all odds, Katniss Everdeen has won the annual Hunger Games with fellow district tribute Peeta Mellark. But it was a victory won by defiance of the Capitol and their harsh rules. Katniss and Peeta should be happy. After all, they have just won for themselves and their families a life of safety and plenty. But there are rumors of rebellion among the subjects, and Katniss and Peeta, to their horror, are the faces of that rebellion. The Capitol is angry. The Capitol wants revenge. **The Principal's Companion** Pam Robbins, Harvey B. Alvy, 2009-03-18 In the heroic effort to improve our nation's schools, this newly revised volume is a gift to the profession and to the professionals. Roland S. Barth, Former Public School Teacher and Principal, Founding Director, Harvard Principals Center. *The Principal's Companion* is rightfully regarded as the bible of resource books for current and aspiring principals. No other single source provides such a thorough treatment of the multiple roles and dimensions involved in effective school leadership. Jay McTighe, Author and Educational Consultant. A guide on the side to help you excel in all areas of the principalship. This third edition of a bestseller serves as a personal mentor for principals, providing the practical resources and tools to help inservice and aspiring administrators manage the challenges of leading a learning organization and facilitating school improvement. Educational leadership consultant Pam Robbins and experienced principal Harvey B. Alvy guide school leaders on such critical areas as leadership skills, developing vision and a mission, teacher evaluation and supervision, curriculum, technology use, and conducting faculty meetings. This revised and updated guide reflects recent changes in a wide range of educational issues, including data-driven decision making and high-stakes accountability, instructional implications of brain research, federal legislation, cyberbullying, and social responsibility. This book provides research-based strategies for succeeding with issues deemed critical to the principalship by practicing principals. An interactive format with reflective questions at the end of each chapter. A matrix that aligns practices with ISLLC standards. *The Principal's Companion* is the principal's ideal accompaniment for creating an environment that supports teachers' efforts to bring about successful student performance. **Sinner's Run** Vera Black,
