Winning the Spiritual Warfare Sr. James Holland, 2009-02. *Winning the Spiritual War* gives us Biblical strategies that we must implement into the body of Christ so that we may walk in true victory and fulfill the mandate given by Christ to reach our world. It is a must-read for those who are serious about doing the will of God. Pastor Holland has addressed one of the crucial areas of the believer's life. Every new convert needs this clear understanding of how to be victorious. The battle Christians are engaged in is an ancient war between the forces of good and evil. Now that the twenty-first century has arrived, the intensity of the battle has greatly increased. Jesus made powerful promises of abundant life. We are called to victory. We must understand the Biblical principles as taught from scripture that instruct us as to how we can win this spiritual war. As prophecy draws us to the very threshold of the second coming, we have no choice but to engage in battle as never before and win this conflict for our soul and the souls of this generation. This book explores spiritual principles that we can implement in our daily living to be victorious. It provides a foundation of true insight for the follower of Christ. Dr. James Holland Sr. is a pastor, teacher, and conference speaker. He is also involved in leadership training. He has a doctorate degree in Biblical studies. He and his wife, Shirline, have been involved in ministry all of their adult lives. They live in Glennville, GA, where they have served as Pastor of a local congregation for over twenty-five years.

OKAFOR,2025-10-04 All successful deliverance must begin by first removing that which defends the enemy or gives him access to your life and destiny In speaking of spiritual warfare the apostle Paul registers the word stronghold to define the spiritual fortresses in which Satan and his legions hide and are protected These strongholds exist in the thought patterns and ideas that govern individuals and organizations as well as communities and nations Under the Rules of Engagement in spiritual battles it s important to point out that the weapons of engagement are absolutely spiritual and not carnal Therefore the use of physical forces or arms among civilians are biblically unauthorized It is evident that God sets the rules of engagement in spiritual warfare Everything begins with Him and ends with Him So it is only natural that He sets the rules of combat Once this is understood warfare becomes part and parcel of life till the end of times either we die and go to be with the Lord or He comes and ends the world Many Christians have discovered that warfare is not as easy as binding and losing the devil The details of engagement at performance and procedures at working of warfare have severe implications and applications on a daily basis All of humanity is in a war for their survival Warfare is real on two levels the natural and spiritual The earth is hurtling towards disaster because of the works of the devil on earth Man is out of control on planet earth and he knows it Yet man ignorantly continues on his merry little way fulfilling the impulses and desires of the devil To understand the rules of engagement we have to look no further than the deliverance of Israel as a nation from Egypt God sets the scene using the first rule of engagement which is God initiated warfare And the Lord spake unto Moses saying speak unto the children of Israel that they turn and encamp before Pihahiroth between Migdol and the sea over against Baalzephon before it shall ye encamp by the sea For Pharaoh will say of the children of Israel They are entangled in the land the wilderness hath shut them in And I will harden Pharaoh s heart that he shall follow after them and I will be honoured upon Pharaoh and upon all his host that the Egyptians may know that I am the Lord And they did so Exodus 14 1 5 The Rules of

Engagement helps you recognize the spirits that operate in the kingdom of darkness and gives you declarations for engaging them armed with God's power and authority. The Rules of Engagement for the Christian engaging in warfare is obedience to the instructions God has given the professing Christian to live by. Christians must know the Word of God to apply when occasion demands in any given situation or circumstance. Mind you every situation, circumstance, and issues are not brought on by demonic activity. Rule of engagement is applicable when the Christian wages war on the devil. He does this to take back territory and establish the Kingdom of God on earth. The idea of preaching the gospel is really entering into warfare. The moment you put your hand to the plough you are engaged in warfare. The rules here are even riskier because you have to walk in a manner that is not only walking in righteousness and holiness but listening to the Holy Spirit who trains your fingers for battle. Many Christians have gone out on a mere impulse and unconfirmed divine direction and have found themselves in deep trouble. Though we are called to be witnesses for Christ, Jesus told His disciples that He was giving them power to be His disciples. He did this when He sent the Holy Ghost and power. We too must receive the Holy Ghost and power. This is essential to warfare and the spreading of the gospel. When you begin to engage the instructions revealed in this book and Prayer Manual, your relationships shall be healed, your finance and health will be restored, and your wealth shall be released. Your latter end shall be more glorious than your beginning if you sincerely partake in this spiritual exercise. Your possession shall multiply and your family foundation and heritage shall have a divine visitation and revival. You will have an encounter with the power of God which gives one divine immunity against evil and demons. Be encouraged and remember to pray without ceasing. 1 Thess 5:17. EMMANUEL OKAFOR

Fighting in Faith A. Barlow, 2015-10-28. Fighting In Faith is written with two primary objectives. First, this book demonstrates how to utilize the Holy Bible to teach God's eternal truths about how Satan and his demons operate in our daily lives, whether we believe it or not. Second, this book provides very practical means by which to both activate and operate our faith in God to engage and completely conquer demonic forces through Bible-based Spiritual Warfare. There are many great books on Spiritual Warfare, Healing, and Deliverance Ministry, putting on the armor of God, and how to recognize demonic activity in our daily lives. However, there are few that concentrate on intensely practical and Bible-based strategic means to LEARN and IMMEDIATELY APPLY in safe and successful Healing and Deliverance Ministry. Unfortunately, there are very few books that not only teach practical application strategies but also include actual testimonies from those who have been miraculously healed, delivered, and otherwise touched by God. Who Should Read This Book? Fighting in Faith is for Healing and Deliverance practitioners, Evangelists, Pastors, and Christians who want to be bold or even bolder in their faith. Has God gifted you in Power Ministry, including the performance of miracles? If so, this book is specifically written for you. If you have never operated in Power Ministry but believe God is guiding you to this area of ministry, this book is for you too. However, if you are the type of person who simply likes to constantly learn biblical principles or new things about God but never motivated to put them into ACTIVE PRACTICE, then I can assure you that this

book is NOT for you Fighting In Faith is specifically written under the guidance of the Holy Spirit for those who earnestly desire to put feet to their faith by actively doing the Word of God as opposed to being forgetful hearers who only deceive themselves God faithfully promises to bless each and every one who looks into the perfect law of liberty and continues in it and is not a forgetful hearer but a doer of the work James 1 25 Ask yourself right now Am I a doer of God s will or am I a forgetful hearer As moved by the Holy Spirit of Christ Jesus Fighting In Faith provides sound biblical instruction and hands on practical strategies that have already been successful in conducting Spiritual Warfare even under seemingly insurmountable circumstances Deliverance Ministry is spiritual cleansing from the negative and soul damning presence power and influences of the world the flesh and demonic spirits Demons are disembodied malevolent spirits specifically sent by Satan to steal and to kill and to destroy John 10 10a every good thing God has ordained for mankind This is especially true with respect to eternal salvation of the soul Mankind is locked in an eternal battle with a triffida of an enemy the Holy Bible identifies as the World the Flesh and the Devil Deliverance Ministry is simply having an ever present Bible based understanding that as we go about our normal lives at work in vocational ministry or the marketplace there will be opportunities to put the Word of God into active practice This is often accomplished by laying hands on the sick for healing and casting out demons for deliverance from satanic or demonic powers or influences Has God in some way stirred up your spirit to be interested in this very powerful ministry One caveat Everything in this book presupposes that you have FAITH Belief Trust in Jesus a desire to OBEY God regardless of what others think have been filled with the Holy Spirit and have already been delivered from Doubt Fear Pride and Unbelief If you do not meet all of these qualifications please do not try to perform anything written in this book until you have done so Otherwise you will be effectively playing with Hell Fire at the risk of your soul being eternally separated from God in the Lake of Fire *Spiritual Warfare* Jessie Penn-Lewis,2006-01-01 Through Jessie Penn Lewis we hear the voice of a veteran in the everyday conflict with powers and principalities Her remarkable insights on prayer warfare are thoroughly Biblical and intensely practical You can apply the principles of spiritual battle to the common issues of personal prayer and the daily Christian walk **The Spiritual Warfare Answer Book** Dr. David Jeremiah,2016-06-14 Do you have questions about spiritual warfare Spiritual warfare is an important part of faith and it s wonderful to know that you re not alone in your struggle Trusted pastor and bestselling author Dr David Jeremiah brings clarity to the complex topic of spiritual warfare in The Spiritual Warfare Answer Book From his years of teaching on this subject Pastor Jeremiah has selected answers to your pertinent questions concerning victory in the spiritual realm The Bible says God will ultimately be victorious and win the spiritual war But it also says He has given every Christian promises and power to win our daily spiritual battles The Spiritual Warfare Answer Book includes 86 questions with answers such as How does Satan imitate God How powerful is Satan Are demons real What protection does the shield of faith provide How can I defend myself against a hostile world How do I put on Christ What does it mean to be a prayer warrior Make sure you are

equipped for the spiritual battle that is ahead of you The Spiritual Warfare Answer Book prepares you to put on the armor of God that is outlined by the apostle Paul in Ephesians chapter 6 so you are equipped with the insight and wisdom you need to win the daily spiritual battles in your life
