Daughters And Sons Of The King:

Daughters and Sons of the King Ann-sophie Ovile,2017-11-10 All of a sudden I felt in direct communication with God This never happened to me before It was not a big voice coming from the sky but it was this force talking to my spirit and making me 100% sure that what I was hearing was real At that moment I understood what it was like to be filled with the spirit I suddenly felt hot in a not so hot room and the magnitude of the force overwhelmed me I couldn t ignore it anymore I had to obey While I was invoking I didn t think that it had such an importance but when all of these changes started happening I realized that God was real I am laughing at myself writing this because I grew up thinking I believed in God but it is only after truly experiencing it that I can say without shaking that God this extravagant and all powerful force they told us about is real
