Confronting Issues Heaven And Hell Volume Ii Why Hell Must Be Eternal:

Confronting Issues Heaven and Hell Volume II: Why Hell Must Be Eternal J. K. McKee, 2012-06-13 While it is unfortunately very true that there is a level of controversy present in today's theological studies over what happens to the deceased between death and resurrection a much higher debate takes place regarding what occurs to unrepentant unrighteous sinners Do these people experience a never ending ongoing eternal punishment Or do these people experience an obliteration from existence Strong and firm disagreements between those who affirm some sort of ongoing eternal punishment versus those who believe in annihilationism have been present in Christian theology for the past century These debates have been taken up by many people within the broad contemporary Messianic movement with more than a few not quite knowing what to believe This volume of TNN Press Confronting Issues series Why Hell Must Be Eternal necessarily takes up some of the uncomfortable discussion that has gone on in evangelical Christian theology regarding eternal punishment and how it affects our contemporary Messianic faith community Annihilationism is not a viable form of eternal punishment as it constitutes the same basic belief of any atheist or agnostic who thinks that after death he or she will enter into total nothingness At the same time there have undoubtedly been exaggerations and over exaggerations of hyper literal models of eternal punishment that exclusively focus on descriptions of it being fire and smoke as opposed to outer darkness or banishment from God's presence How should today's Messianic Believers approach the widespread metaphorical view of eternal punishment present in theological studies since the Protestant Reformation but not often known to the normal layperson This volume should hopefully stimulate some critical thinking and evaluation regarding the uncomfortable subject of eternal punishment and above all motivate each and every one of us to see that none of our fellow human beings has to experience it

Doctrine James Wm. McClendon JR., 2011-07-01 Christian doctrine McClendon tells us is no laundry list of propositions to be believed but is rather an essential practice of the church Doctrines are those shared convictions which the church must teach and live out if it is to be the church The author rejects the prevailing assumptions stemming from the rationalism of the Enlightenment and redefines theology as a discipline within the context of particular religious beliefs and practices of concrete believing communities McClendon ties the reading of Scripture to the community's understanding of itself and its own mission

Themelios, Volume 38, Issue 2 D. A. Carson, 2015-01-13 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial

You Can Believe the Bible Willis C. Newman, 2010-06-15 This book is a compact overview of the Bible It is more a book on what the Bible is rather than what the Bible says We live in a day when this great Book is considered a relic of the past irrelevant or in some cases a danger to society This book is designed to give the reader an overview of the nature of the Bible and its place in society Many reasons based on solid evidence are listed demonstrating why we can take the Bible at face value Our objective of this work is to challenge the non believer to take the Bible seriously and to give a boldness and confidence to the believer We can proclaim the Bible with assurance that it is truth from God to the human race We can trust the Bible with decisions in our own personal life It is a Book that we can use to form the foundation of our life family society and nation

The Devil's Redemption : 2 Volumes Michael J. McClymond, 2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone

Bios Hector C. Sabelli, 2005 This book focuses on a prototype of creative causal processes termed BIOS and how the concept can be applied to the physical world in medicine and in social science This book presents methods for identifying creative features in empirical data studies showing biotic patterns in physical biological and economic processes mathematical models of bipolar positive and negative feedback that generate biotic patterns These studies support the hypothesis that natural processes are creative not determined and causal not random and that bipolar feedback plays a major role in their evolution Simple processes precede coexist constitute and surround the complex systems they generate priority of the simple In turn complex processes feedback and transform simpler ones supremacy of the complex

Hobbes and the Debate over Natural Law and Religion Stephen A. State, 2013-07-18 The argument laid out in this book discusses and interprets the work of Hobbes in relation to religion It compares a traditional interpretation of Hobbes where Hobbes use of conventional terminology when talking about natural law is seen as ironic or merely convenient despite an atheist viewpoint with the view that Hobbes morality is truly traditional and Christian The book considers other thinkers of the age in tandem with Hobbes and discusses in detail his theology inspired by corporeal mechanics The position is that there are significant senses in which Hobbes can be said to be a traditional natural law theorist Facing Reality Joseph Grcic, Ph D Joseph Grcic, 2009-10-01 Facing Reality is an introduction to philosophy which examines central issues in philosophy from an interdisciplinary multicultural and applied manner It covers the traditional areas of philosophy such as the nature of knowledge ethics free will the existence of God life after death the nature of science and political philosophy In addition it covers topics usually not found in introductory texts such as obstacles to rationality theories of happiness world religions and the meaning of life Each chapter has a summary questions for review recommended films suggested readings and dilemmas for discussion There are also sections entitled Philosophy in Life where philosophical ideas are applied to current issues and debates **The Churchman** , 1914
