Direct Education Staff, 2004-05 The Vietnamese War David Elliott, 2016-04-15 A monumental work of research and
analysis this is a history of the Vietnam War in a single province of the Mekong Delta over the period 1930 1975 More
precisely it is a study of the Vietnamese dimension of the Vietnam War focusing on the revolutionary movement that became
popularly known as the Viet Cong There are several distinctive features to this study 1 it provides an explanation for the
paradox of why the revolutionary movement was so successful during the war but unable to meet the challenges of postwar
developments 2 it challenges the dominant theme of contemporary political analysis which assumes that people are rational
actors responding to events with careful calculations of self interest 3 it closely examines province level documentation that
casts light on a number of important historical controversies about the war No other history of the Vietnam War has drawn
on such a depth of documentation especially firsthand accounts that allow the Vietnamese participants to speak directly to us

textbooks *The Vietnam War* Geoffrey Wawro, 2024-10-01 The first comprehensive military history of the war in Vietnam The Vietnam War cast a shadow over the American psyche from the moment it began In its time it sparked budget deficits campus protests and an erosion of US influence around the world Long after the last helicopter evacuated Saigon Americans have continued to battle over whether it was ever a winnable war Based on thousands of pages of military diplomatic and intelligence documents Geoffrey Wawro's *The Vietnam War* offers a definitive account of a war of choice that was doomed from its inception In devastating detail Wawro narrates campaigns where US troops struggled even to find the enemy in the South Vietnamese wilderness let alone kill sufficient numbers to turn the tide in their favor Yet the war dragged on prolonged by presidents and military leaders who feared the political consequences of accepting defeat In the end no number of young lives lost or bombs dropped could prevent America's ally the corrupt South Vietnamese regime from collapsing the moment US troops retreated Broad definitive and illuminating *The Vietnam War* offers an unsettling resonant story of the limitations of American power **Monthly Catalog of United States Government Publications** United States.
