Charles and Ray Eames Naomi Stungo,2000 Charles and Ray Eames were a highly influential couple whose work included classic pieces of furniture and architecture during the 1940s and 1950s An essay and an illustrated appreciation of their life and work are included in this text The World of Charles and Ray Eames Barbican Art Gallery,2015 Charles 1907 1978 and Ray 1912 1988 Eames are among the most important designers of the 20th century and the story of the Eames Office is that of visual and material culture in the post war modern period The World of Charles and Ray Eames charts the history of their inspiring and prolific world and brings together key works and ideas explored at the Eames Office throughout its extraordinary history This definitive monograph explores the era defining work of the Eames Office a laboratory active for over four decades where the Eameses and their collaborators produced a vast array of pioneering and influential projects from architecture furniture and product design to film photography multi media installation and exhibitions as well as new models for arts education Themes include The Eames Office Life in Work At Home with the Eameses Information Machines The Seeing Eye Office USA Communicating America at Home and Abroad and The Art of Living Alongside newly commissioned texts by leading design experts The World of Charles and Ray Eames will include contemporaneous reviews and magazine articles writings by Charles and Ray Eames themselves personal correspondence and a comprehensive reference section **The Work of Charles and Ray Eames** Donald Albrecht,2005-03 The Los Angeles based husband and wife team of Charles and Ray Eames gave shape to the look of the 20th century Their greatest accomplishment was in their wholehearted belief that design could improve people s lives a serious ambition that they approached with elegance wit and beauty **Charles and Ray Eames: Objects and Furniture Design** Patricia De Muga,Laura Garcia Hintze,Sandra Dachs,2022-03-15 Midcentury masterpieces from the inventors of the Eames chair Best known for their contributions to architecture furniture design industrial design film and photography Charles and Ray Eames remain among the most renowned American designers of the 20th century The couple married in 1941 and moved to California where they pursued their furniture design in molded plywood During the war they were commissioned by the US Navy to produce molded plywood splints stretchers and experimental glider shells In 1946 Evans Products began producing the Eames molded plywood furniture Their iconic molded plywood chair was called the chair of the century by the influential architectural critic Esther McCoy In 1949 the Eameses designed and built their own home in Pacific Palisades their design and imaginative use of materials making this house a mecca for architects and designers internationally Today it is considered one of the most important postwar residences in the world This volume introduces key works by the couple from across their career

Charles and Ray Eames Charles Eames, Ray Eames, The Films of Charles and Ray Eames Eric Schuldenfrei, 2014-12-05 The Films of Charles and Ray Eames traces the history of the Eameses work examining their evolution away from the design of mass produced goods and toward projects created as educational experiences Closely examining how the Eameses described their work reveals how the films and exhibitions they generated were completely at odds with the earlier objectives exemplified in their furniture designs Shifting away from promoting the consumer culture they turned their attention to the presentation of complex sets of scientific artistic and philosophical ideas During a critical period from the late 1950s to the early 1960s there was a moment of introspective self reflection in the West stemming from the events of the Cold War This moment of uncertainty was crucial for it provided the incentive to question the values and concerns of society as a whole In turn designers began to question their own sense of purpose temporarily expanding the purview of design to a broader field of inquiry In the case of the Eameses they identified an overriding problem related to consumerism and excess in America and sought to resolve the issue by creating a network of communication between universities governments institutions and corporations The solution of promoting greater education experiences as an alternative to consumerism in America required that different sectors of society functioned in unison to address political social economic and educational concerns The Films of Charles and Ray Eames reconsiders how design intersects with humanity culture and the sciences

The Furniture of Charles and Ray Eames Mathias Remmele, 2007 The oeuvre of the American designer couple Charles and Ray Eames is extraordinary in its range and diversity Their groundbreaking furniture designs which have remained current throughout the decades since their creation play a central role in the Eames oeuvre As the sole authorized manufacturer of Eames designs in Europe and the Middle East for the past 50 years Vitra is commemorating Charles Eames 100th birthday with the publication of The Furniture of Charles Ray Eames Grouped into categories based on materials such as plywood plastic wire and aluminum all of the Eames designs produced by Vitra are presented in detail Reproductions of vintage photographs and documents accompany explanatory texts that provide in depth information on the historical background and distinctive structural features of the furniture designs Contemporary photographs illustrate the aesthetic quality of these objects The active preservation of Charles and Ray Eames legacy is the subject of a dialogue between Rolf Fehlbaum the Chairman of Vitra and Charles grandson Eames Demetrios the present director of the Eames Office

FIFTEEN THINGS CHARLES AND RAY TEACH US Keith Yamashita, Eames Office LLC, 2014-11-20 Charles Eames Cover smaller sized version

Eames Eames Demetrios, Charles Eames, Ray Eames, 2014-10 The Eames distinctly postwar American enthusiasm and openness to the world around them gave them free license to explore work in many disciplines This book celebrates the seamlessness and fluidity in which they operated as both a husband and wife team and as designers unrestricted by traditionally professional boundaries
