Celtic Tales Told To The Children:

Celtic Tales, Told to the Children Louey Chisholm, 2022-09-16 In *Celtic Tales Told to the Children* Louey Chisholm offers a seamless tapestry of myth and legend rich with the verdant storytelling traditions of the Celtic peoples. Rendered in a prose that is both lush and accessible, Chisholm's work distills the complex narratives of ancient lore into a form easily grasped by the young mind without sacrificing their inherent magic and majesty. Within the literary context, this tome serves as an invaluable bridge between archaic text and contemporary understanding, preserving the timeless oral traditions with a finesse that urges a new generation of listeners and readers to discover the wonders of Celtic mythology. Louey Chisholm's engagement with these tales is borne from a deep reverence for the past and a dedication to cultural education. Through repurposing folklore for the consumption of children, Chisholm harnesses the power of storytelling to instill a sense of wonder and cultural identity. This literary endeavor likely stems from a belief in preserving heritage through the vivid and shared experience of story, something DigiCat Publishing echoes in its mission to keep the written word an integral and respected part of human legacy. For those seeking to imbue children with an appreciation for the art of storytelling and a curiosity about cultural history, *Celtic Tales Told to the Children* comes highly recommended. It stands as a testament to the enduring enchantment of folklore and the role it plays in the broader canvas of world literature. In the hands of educators, parents, and young readers, these tales are far more than mere entertainment; they are the threads weaving together the past with the present, inviting everyone into the heart of Celtic tradition.

Celtic Tales, Told to the Children (Esprios Classics) Louey Chisholm, 2017-04-29 One of my friends tells me that you little reader will not like these old old tales, another says they are too sad for you, and yet another asks what the stories are meant to teach. Now I for my part think you will like these Celtic Tales very much indeed. It is true they are sad, but you do not always want to be amused. And I have not told the stories for the sake of anything they may teach, but because of their sheer beauty, and I expect you to enjoy them as hundreds and hundreds of Irish and Scottish children have already enjoyed them without knowing or wondering why.

Celtic Tales Told to Children Louey Chisholm, 1910-01-01 This little book was written after several variants of the Tales had been read: Old Celtic Romances by Dr. Joyce Kilmer; Celticae by Dr. Cameron; The Pursuit after Diarmud O Duibhne and Grainne, the daughter of Cormac Mac Airt by Standish Hayes O'Grady; The Three Sorrows of Storytelling by Dr. Douglas Hyde; The Laughter of Peterkin by Fiona Macleod; and other translations and retellings. One of my friends tells me that you little reader will not like these old old tales, another says they are too sad for you, and yet another asks what the stories are meant to teach. Now I for my part think you will like these Celtic Tales very much indeed. It is true they are sad, but you do not always want to be amused. And I have not told the stories for the sake of anything they may teach, but because of their sheer beauty, and I expect you to enjoy them as hundreds and hundreds of Irish and Scottish children have already enjoyed them without knowing or wondering why.
