Dead Famous Ben Elton:

Dead Famous Ben Elton, 2012-11-08 Wry fast and fiendishly clever The Times One house Ten contestants Thirty cameras Forty microphones Yet again the public gorges its voyeuristic appetite as another group of unknown and unremarkable people submit themselves to the brutal exposure of the televised real life soap opera House Arrest Everybody knows the rules total strangers are forced to live together while the rest of the country watches them do it Who will crack first Who will have sex with whom Who will the public love and who will they hate All the usual questions And then suddenly there are some new ones Who is the murderer How did he or she manage to kill under the constant gaze of the thirty television cameras Why did they do it And who will be next

Ben Elton Collection Ben Elton, 2009-11-01 Gridlock Too many cars and not enough space equals gridlock Gridlock is when a city dies Killed in the name of freedom Killed in the name of oil and steel Choked on carbon monoxide and strangled with a pair of fluffy dice How did it come to this How did the ultimate freedom machine end up paralysing us all How did we end up driving to our own funeral in somebody else's gravy train Deborah and Geoffrey know but they have transport problems of their own and anyway whoever it was that murdered the city can just as easily murder them Chart Throb Chart Throb The ultimate pop quest Ninety five thousand hopefuls Three judges Just one winner And that's Calvin Simms the genius behind the show Calvin always wins because Calvin writes the rules But this year as he sits smugly in judgement upon the mingers clingers and blingers whom he has pre-selected in his carefully scripted search for a star he has no idea that the rules are changing The real is about to be put back into reality television and Calvin and his fellow judges the nation's favourite mum and the other bloke are about to become ex-factors themselves Chart Throb One winner A whole bunch of losers Blind Faith Imagine a world where everyone knows everything about everybody Where sharing is valued above all and privacy is considered a dangerous perversion Trafford wouldn't call himself a rebel but he's daring to be different to stand out from the crowd In his own small ways he wants to push against the system But in this world uniformity is everything And even tiny defiances won't go unnoticed Ben Elton's dark savagely comic novel imagines a post-apocalyptic society where religious intolerance combines with a sex-obsessed utterly egocentric culture In this world nakedness is modesty independent thought subversive and ignorance is wisdom A chilling vision of what's to come Or something rather closer to home

Meltdown Ben Elton, 2009-11-24 For amiable City trader Jimmy Corby money was the new Rock n Roll His whole life was a party adrenaline-charged and cocaine-fuelled If he hadn't met Monica he would probably have ended up either dead or in rehab But Jimmy was as lucky in love as he was at betting on dodgy derivatives so instead of burning out his star just burned brighter than ever Rich pampered and successful Jimmy Monica and their friends lived the dream bringing up their children with an army of domestic helps But then it all came crashing down And when the global financial crisis hit Jimmy discovers that anyone can handle success It's how you handle failure that really matters

Past Mortem Ben Elton, 2012-11-08 A writer who provokes almost as much as he entertains Daily Mail Engaging and smartly plotted Observer

___ With old friends like these who needs enemies It s a question mild mannered detective Edward Newson is forced to ask himself when in romantic desperation he logs on to the Friends Reunited website in search of the girlfriends of his youth Newson is not the only member of the Class of 88 who has been raking over the ashes of the past As his old class begins to reassemble in cyberspace the years slip away and old feuds and passions burn hot once more Meanwhile back in the present Newson s life is no less complicated He is secretly in love with Natasha his lovely but very attached sergeant and failing comprehensively to solve a series of baffling and peculiarly gruesome murders A school reunion is planned and as history begins to repeat itself the past crashes headlong into the present Neither will ever be the same again ___ What readers are saying Fun frightful and relentlessly gripping Clever and original a great read Darkly comic intriguing and with a real twist in the tail

The First Casualty Ben Elton,2012-11-08 A work of formidable imaginative scope Daily Telegraph The first casualty when war comes is truth Flanders June 1917 a British officer and celebrated poet is shot dead He is killed not by German fire but while recuperating from shell shock well behind the lines A young English soldier is arrested and although he protests his innocence charged with his murder Douglas Kingsley is a conscientious objector previously a detective with the London police now imprisoned for his beliefs He is released and sent to France in order to secure a conviction Forced to conduct his investigations amidst the hell of The Third Battle of Ypres Kingsley soon discovers that both the evidence and the witnesses he needs are quite literally disappearing into the mud that surrounds him Ben Elton s tenth novel is a gut wrenching historical drama which explores some fundamental questions What is murder What is justice in the face of unimaginable daily slaughter And where is the honour in saving a man from the gallows if he is only to be returned to die in a suicidal battle

High Society Ben Elton,2012-11-08 The war on drugs has been lost but for want of the courage to face the fact that the whole world is rapidly becoming one vast criminal network From pop stars and princes to crack whores and street kids From the Groucho Club toilets to the poppy fields of Afghanistan we are all partners in crime HIGH SOCIETY is a story or rather a collection of interconnected stories that takes the reader on a hilarious heart breaking and terrifying journey through the kaleidoscope world that the law has created and from which the law offers no protection Two Brothers Ben Elton,2012-11-08 Bestselling author Ben Elton s most personal novel to date Two Brothers transports the reader to the time of history s darkest hour Berlin 1920 Two babies are born Two brothers United and indivisible sharing everything Twins in all but blood As Germany marches into its Nazi Armageddon the ties of family friendship and love are tested to the very limits of endurance And the brothers are faced with an unimaginable choice Which one of them will survive

Gridlock Ben Elton,2008-12-26 Gridlock is when a city dies Killed in the name of freedom Killed in the name of oil and steel Choked on carbon monoxide and strangled with a pair of fluffy dice How did it come to this How did the ultimate freedom machine end up paralysing us all How did we end up driving to our own funeral in somebody else s gravy train Deborah and Geoffrey know but they have transport problems of their own and anyway whoever it was that murdered the

city can just as easily murder them **Blind Faith** Ben Elton,2008-09-04 Imagine a world where everyone knows everything about everybody Where sharing is valued above all and privacy is considered a dangerous perversion Trafford wouldn't call himself a rebel but he's daring to be different to stand out from the crowd In his own small ways he wants to push against the system But in this world uniformity is everything And even tiny defiances won't go unnoticed Ben Elton's dark savagely comic novel imagines a post apocalyptic society where religious intolerance combines with a sex obsessed utterly egocentric culture In this world nakedness is modesty independent thought subversive and ignorance is wisdom A chilling vision of what's to come Or something rather closer to home **Big Brother: The Inside Story** Narinder Kaur,2011-09-30 Never before have we had a candid account of what it's really like to be part of the cultural phenomenon that is Big Brother Now entering its seventh year Big Brother is an annual event on British TV It generates a huge amount of press and shines a spotlight on the state of Britain today But what do the producers really do Have they got a hidden agenda Do they edit to create characters How do the media manipulate our opinions Can they really make or break a star And what do the contestants think Do they feel used or do they relish the opportunity What is life after the show like for them Would they recommend it to others Narinder Kaur a former Big Brother contestant has travelled the country speaking with past contestants from all series as well as with TV producers and the media Now for the first time we hear their thoughts in their own words This is the truth behind the reality
