Dead Highways Collection 1:

Dead Highways: Collection #1 (Books 1-3 in the Series) Richard Brown, 2015-06-04 From the first step outside I sensed something in the air and it wasn't just the stench from the dumpster behind the building. It was more visceral than a smell something electric and unnerving. There were cold whispers in the wind deafening sounds of chaos in the silence. And warnings of terrible things to come. In less than a week the virus swept the globe infecting the majority of the population. STAGE 1 Fatigue loss of motor control blurred vision. STAGE 2 Coma. A lonely bookworm and stranger to adventure Jimmy is one of the lucky few immune to the infection. Together with a diverse group of survivors he must now figure out how to move on in a world where most people lay dying in a coma. And that's just the beginning. STAGE 3 With their memories erased the infected wake and begin to migrate west in massive herds killing any of the uninfected that cross their path. But where are they going and what is guiding them? Can Jimmy and his new friends stay alive long enough to discover the shocking truth that waits at the end of these dead highways? Not your typical post apocalyptic survival story. Dead Highways is a character driven adventure with plenty of suspense humor and unexpected plot twists to keep the reader turning the pages at a fast pace. The unique and engaging narrator always keeps the action fresh and entertaining. **Transactions of the Illinois State Agricultural Society** Illinois. Dept. of Agriculture, 1889 **Impact of Truck Overloads on the Highway Trust Fund, Volume II** United States. Congress. House. Committee on Ways and Means. Subcommittee on Oversight, 1980
