Cengagenow For Sextons Exploring Macroeconomics 6th Edition

**Robert L. Sexton, Colin C. Kovacs, Peter
N. Fortura**

Cengagenow For Sextons Exploring Macroeconomics 6th Edition:

Exploring Macroeconomics, 6th Edition Robert L. Sexton, Colin C. Kovacs, Peter N. Fortura, 2023-01-27 Exploring Macroeconomics Sixth Canadian Edition offers students a lively approach designed to take the intimidation out of economics. With its short self-contained learning units and its carefully chosen pedagogy, graphs, and photos, this text helps students master and retain the basic principles of economics. In addition, the current events focus and modular format of presenting information makes Exploring Macroeconomics a very student-accessible and user-friendly text. Robert Sexton's section-by-section approach is designed to encourage economic literacy and help students appreciate how economics impacts both business and daily life. Sexton helps students build a solid understanding of economic principles by engaging them from the outset and providing them with multiple points of practice.

Exploring Macroeconomics Robert L. Sexton, 1998-12 With over 20 years experience teaching the economics principles course, Bob Sexton's dedication and enthusiasm shines through in Exploring Macroeconomics Second Edition. This text offers students a lively back-to-the-basics approach designed to take the intimidation out of economics. With its short self-contained learning units and its carefully chosen pedagogy, graphs, and photos, this text will help students master and retain the principles of economics.

The Exploration of Macroeconomics Robert L. Sexton, 2010 THE EXPLORATION OF MACROECONOMICS 5e International Edition is not a traditional encyclopedic text filled with technical details. Rather, it is an engaging modern back-to-basics book designed to promote macroeconomic literacy and help students appreciate how macroeconomics affects their everyday lives. This reader-friendly text includes innovative learning tools, a visually appealing design, and captivating content to encourage students to read the chapters eagerly and help them master the material more easily. In addition, a comprehensive study guide included with every copy helps students reinforce their learning and better prepare for course assignments and exams. Packed with examples from current events and pop culture, THE EXPLORATION OF MACROECONOMICS 5e International Edition succeeds like no other text in making macroeconomics less intimidating and achieving the author's primary goal: conveying the real-world relevance of macroeconomics and inspiring in students the same excitement he felt when taking his first macroeconomics class.
