Centaur Algernon Blackwood:

The Centaur Algernon Blackwood, 2006-01-01 **The Centaur; Algernon Blackwood (illustrated)** Algernon Blackwood, 2021-04-07 A really good story that's hard to put a finger on or even define. At times I felt the prose was far too long and overly descriptive. I understand why Blackwood did that; he's attempting to describe the indescribable. Personally, I am very surprised that this book never became something big. In fact, as I was reading it, I could totally picture it as one of those abstract movies Brad Pitt might make. But I feel that although it might make for a beautiful movie, as some of that esoteric imagery might well be best illustrated as visual imagery and not only words, I still feel the depth of this story would be lost on the general public. Sad as that may be, I think the majority of the public would see what this book seems to be at the surface level: a somewhat homoerotic fascination of one man for another man, perhaps. Why this book was never famous back in its day, SHAME. And although it is that at one level, it is so much deeper than that as well. *The Human Chord* Algernon Blackwood, 2017-11-26 *The Human Chord* features a scholarly clergyman who aspires to reach the higher realms of spirituality through finding the sound that will unlock access to those previously unattainable dimensions. **The Centaur** Algernon Blackwood, 1912 **The Centaur** Algernon Blackwood, 2015-09-22 *The Centaur* by Algernon Blackwood. BLACKWOOD, 2024-12-18 *The Centaur* by Algernon Blackwood is a novel written in the early 20th century. Set in the Caucasus between the Black and Caspian Seas, *The Centaur* centres on Terence O'Malley, a journalist of mystical temperament who is studying the peoples of the area. O'Malley is at odds with the pace and materialism of the modern world; he rejects this way of life and instead countenances a return to nature, which he interprets as a sense of kinship with the universe. *The Centaur* is recognized as one of the greatest mystical works by Blackwood, wherein he explores man's empathy with the unknown forces of the universe. **The Centaur** Algernon Blackwood, 2017-09-27 Writer Algernon Blackwood is recognized as one of the pioneers of the genre of weird fiction. He specializes in subtly creepy tales whose horrific significance gradually sneaks up on you rather than assaulting you with gore and violence. In *The Centaur*, Blackwood explores the solitary life of a strangely magnetic misfit who decides to live his unusual life on his own unique terms. **The Centaur** Algernon Blackwood, 2021-08-14 *The Centaur* From Algernon Blackwood. **The Centaur (Esprios Classics)** Algernon Blackwood, 2021-09-02 Algernon Henry Blackwood (1869–1951) was an English writer of tales of the supernatural. In his late thirties, Blackwood started to write horror stories. He was very successful, writing ten books of short stories and appearing on both radio and television to tell them. He also wrote fourteen novels and a number of plays, most of which were

produced but not published He was an avid lover of nature and many of his stories reflect this Although Blackwood wrote a number of horror stories his most typical work seeks less to frighten than to induce a sense of awe Good examples are the novels *The Centaur* 1911 and *Julius LeVallon* 1916 and its sequel *The Bright Messenger* 1921 *The Centaur* Algernon Blackwood, 2014-03-30 *The Centaur A Mythical Adventure* By Algernon Blackwood Algernon Henry Blackwood CBE 14 March 1869 10 December 1951 was an English short story writer and novelist one of the most prolific writers of ghost stories in the history of the genre He was also a journalist and a broadcasting narrator S T Joshi has stated that his work is more consistently meritorious than any weird writer s except Dunsany s and that his short story collection *Incredible Adventures* 1914 may be the premier weird collection of this or any other century Blackwood was born in Shooter s Hill today part of south east London but then part of northwest Kent and educated at Wellington College His father was a Post Office administrator who according to Peter Penzoldt though not devoid of genuine good heartedness had appallingly narrow religious ideas Blackwood had a varied career working as a dairy farmer in Canada operating a hotel as a newspaper reporter in New York City bartender model journalist for the New York Times private secretary businessman and violin teacher Though Blackwood wrote a number of horror stories his most typical work seeks less to frighten than to induce a sense of awe Good examples are the novels *The Centaur* which climaxes with a traveller s sight of a herd of the mythical creatures and *Julius LeVallon* and its sequel *The Bright Messenger* which deal with reincarnation and the possibility of a new mystical evolution in human consciousness
