De Re Publica Selections Cambridge Greek And Latin Classics:

De Re Publica Marcus Tullius Cicero,1995 *Cicero: De Re Publica* Marcus Tullius Cicero,1995-04-06 A uniquely surviving specimen of prose and verse satire from the Roman world Copyright Libri GmbH All rights reserved *Christian Origins and Greco-Roman Culture* Stanley E. Porter,Andrew W. Pitts,2013 In *Christian Origins and Greco Roman Culture* Stanley Porter and Andrew Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through the use of Greco Roman materials and literary forms Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Hellenistic culture Some essays focus on configuring the social context for the origins of the Jesus movement and beyond while others assess the literary relation between early Christian and Greco Roman texts *Cicero* Gesine Manuwald,2014-11-28 Marcus Tullius Cicero 106 43 BCE introduced Romans to the major schools of Greek philosophy forging a Latin conceptual vocabulary that was entirely new But for all the sophistication of his thinking it is perhaps for his political and oratorical career that Cicero is best remembered He was the nemesis of Catiline whose plot to overthrow the Republic he famously denounced to the Senate He was the selfless politician who turned down the opportunity to join Julius Caesar and Pompey in their ruling triumvirate with Crassus He was briefly Rome s leading man after Caesar s assassination in 44 BCE And he was the great political orator whose bitter conflict with Mark Antony led to his own violent death in 43 BCE In her authoritative survey Gesine Manuwald evokes the many faces of Cicero as well as his complexities and seeming contradictions She focuses on his major works allowing the great writer to speak for himself Cicero s rich legacy is seen to endure in the works of Quintilian and the Church Fathers as well as in the speeches of Harry S Truman and Barack Obama **Cicero: Oxford Bibliographies Online Research Guide** Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www aboutobo com](http://www.aboutobo.com) *Cicero and the People's Will* Lex

Paulson,2022-12-08 This book tells an overlooked story in the history of ideas a drama of cut throat politics and philosophy of mind For it is Cicero statesman and philosopher who gives shape to the notion of will in Western thought from criminal will to moral willpower and the will of the people In a single word voluntas he brings Roman law in contact with Greek ideas chief among them Plato s claim that a rational elite must rule When the republic falls to Caesarism Cicero turns his political argument inward Will is a force in the soul to win the virtue lost on the battlefield the mark of inner freedom in an unfree age Though this constitutional vision failed in his own time Cicero s ideals of popular sovereignty and rational elitism have shaped and fractured the modern world and Ciceronian creativity may yet save it **De otio** Lucius Annaeus

Seneca,2003-01-30 This edition the first modern one in English introduces undergraduates and more advanced students to the therapeutic possibilities of Seneca s Stoic philosophy The short treatises De otio and De brevitae vitae balance each other by representing different but complementary aspects of Senecan philosophy in De otio one s duty to the active life in De brevitae vitae one s duty to oneself in reclaiming life from the impositions made upon the self The provocative Senecan message is to promote introspection in life and to suggest the benefits of an inner existence of the personal In addition to its literary and linguistic emphasis this edition tries to advertize the means by which Seneca conveys the attractions of his therapeutic philosophy *God, Justice, and Society* Jonathan Burnside,2011 What is the real meaning of an eye for an eye and a tooth for a tooth Where did the idea for the Jubilee 2000 and Drop the Debt campaigns come from Here Burnside looks at aspects of law and legality in the Bible from the patriarchal narratives in the Hebrew Bible through to the trials of Jesus in the New Testament *The Cosmic Viewpoint* Gareth D. Williams,2012-04-05 The Cosmic Viewpoint examines the literary and philosophical qualities essential to Seneca s art of science in his Natural Questions Seneca s meteorological theme raises our gaze from a terrestrial level to a higher more intuitive plane a conceptual climb by which Seneca promotes a change of perspective in his readership towards the cosmic viewpoint *Vitruvian Man* John Oksanish,2019-10-07 This book reconsiders the Roman architect Vitruvius and his treatise On Architecture The ideal Vitruvian man is not simply an architect in the narrow sense He is a builder of Augustus legacy and the archetype for a distinctly imperial ethos of civic expertise
