Paris Was Ours Penelope Rowlands, 2025-04-08 Thirty two essays many never before published of life in Paris from writers who were drawn by the city's charms to take up residence there In thirty two personal essays more than half of which are published here for the first time authors describe how they were seduced by Paris and then began to see things differently They came to write to cook to find love to study to raise children to escape or to live the way it's done in French

movies they came from the United States Canada and England from Iran Iraq and Cuba and a few from other parts of France And they stayed not as tourists but as Parisians some are still living there In Paris Was Ours these outsiders turned insiders share their observations and revelations about the City of Light The collection includes entries from celebrated literary expats such as Diane Johnson David Sedaris Judith Thurman Joe Queenan and Edmund White Together their reflections form an unusually perceptive and multifaceted portrait of a city that is entrancing at times exasperating but always fascinating They remind us that Paris belongs to everyone it has touched and to each in a different way A wonderful collection The essays capture the mood of the city in all of its dark and light shades evoking the spirit of Eugene Atget and Marcel Proust Chicago Tribune

On the Bullet Train with Emily Brontë Judith Pascoe, 2019-01-23 While teaching in Japan Judith Pascoe was fascinated to discover the popularity that Emily Brontë's novel *Wuthering Heights* has enjoyed there Nearly 100 years after its first formal introduction to the country the novel continues to engage the imaginations of Japanese novelists filmmakers manga artists and others resulting in numerous translations adaptations and dramatizations *On the Bullet Train with Emily Brontë* is Pascoe's lively account of her quest to discover the reasons for the continuous Japanese embrace of *Wuthering Heights* including quite varied and surprising adaptations of the novel At the same time the book chronicles Pascoe's experience as an adult student of Japanese She contemplates the multiple Japanese translations of Brontë as contrasted to the single or non-existent English translations of major Japanese writers Carrying out a close reading of a distant country's *Wuthering Heights* Pascoe begins to see American literary culture as a small island on which readers are isolated from foreign literature In this and in her previous book *The Sarah Siddons Audio Files* Pascoe's engaging narrative innovates a new scholarly form involving immersive research practice to attempt a cross-cultural version of reader response criticism *On the Bullet Train with Emily Brontë* will appeal to scholars in the fields of 19th-century British literature adaptation studies and Japanese literary history
