Doing English in Asia Patricia Haseltine, Sheng-mei Ma, 2016-04-13 Doing English in Asia Global Literature and Culture examines the effect of globalization on the curriculum of Asian universities As knowledge of the English language has increasingly been understood as necessary to excel in international business a number of Asian universities have replaced the traditional study of English literature and culture with applied English or English for specified purposes This edited collection tackles the question of how to teach English language and culture through literature in case studies from practitioners all across Asia Contributors thus balance the need for students to understand the interface between English cultures and their own with the pressure to prepare them for employment in this changing environment *CIO.* ,1999

CIO ,1999-09-01 **Torah and Law in Paradise Lost** Jason P. Rosenblatt,2022-03-08 It has been the fate of Milton the most Hebraic of the great English poets to have been interpreted in this century largely by those inhospitable to his Hebraism To remedy this lack of balance Jason Rosenblatt reveals Milton s epic representations of paradise and the fallen world to be the supreme coordinates of an interpretive struggle in which Jewish beliefs that the Hebrew Bible was eternally authoritative Torah were set against the Christian view that it was a temporary law superseded by the New Testament Arguing that the Milton of the 1643 1645 prose tracts saw the Hebrew Bible from the Jewish perspective Rosenblatt shows that these tracts are the principal doctrinal matrix of the middle books of Paradise Lost which present the Hebrew Bible and Adam and Eve as self sufficient entities Rosenblatt acknowledges that later in Paradise Lost after the fall a Pauline hermeneutic reduces the Hebrew Bible to a captive text and Adam and Eve to shadowy types But Milton s shift to a radically Pauline ethos at that point does not annul the Hebraism of the earlier part of the work If Milton resembles Paul it is not least because his thought could attain harmonies only through dialectic Milton s poetry derives much of its power from deep internal struggles over the value and meaning of law grace charity Christian liberty and the relationships among natural law the Mosaic law and the gospel **American Band** Kristen Laine,2007-08-02 In the spirit of Friday Night Lights comes the stirring story of a marching band from small town middle America Every fall marching bands take to the field in a uniquely American ritual For millions of kids band is a rite of passage a first foray into leadership and adult responsibility and a chance to learn what it means to be a part of a community Nowhere is band more serious than at Concord High School in Elkhart Indiana where the entire town is involved with the success of its defending state champion band the Marching Minutemen In the place where this tradition may have originated in the city that became the band instrument capital of the world band is a religion But it s not the only religion as legendary director Max Jones discovers when conflicting notions of faith and purpose collide during his final year as director In this intimate chronicle the band marches through a season that starts in hope and promise progresses through uncertainty and disappointment and ends ultimately in redemption
