Diary Of A Stage Mothers Daughter A Memoir:

Diary of a Stage Mother's Daughter Melissa Francis, 2012-11-06 A memoir from the former child actress and veteran journalist describes the pride pressure and cruelty she felt from her ambitious stage mother while working as part of the cast of *Little House on the Prairie* *Diary of a Stage Mother's Daughter* Melissa Francis, 2012-11-06 The Glass Castle meets The Battle Hymn of the Tiger Mother in this dazzlingly honest and provocative family memoir by former child actress and current Fox Business Network anchor Melissa Francis When Melissa Francis was eight years old she won the role of lifetime playing Cassandra Cooper Ingalls the little girl who was adopted with her brother played by young Jason Bateman by the Ingalls family on the world's most famous primetime soap opera *Little House on the Prairie* Despite her age she was already a veteran actress living a charmed life moving from one Hollywood set to the next But behind the scenes her success was fueled by the pride pressure and sometimes grinding cruelty of her stage mother as fame and a mother's ambition pushed her older sister deeper into the shadows *Diary of a Stage Mother's Daughter* is a fascinating account of life as a child star in the 1980s and also a startling tale of a family under the care of a highly neurotic dangerously competitive tiger mother But perhaps most importantly now that Melissa has two sons of her own it's a meditation on motherhood and the value of pushing your children how hard should you push a child to succeed and at what point does your help turn into harm **Bridging**
