Cruisin Car Culture In America

Jennifer Lee, Min Zhou

Cruisin Car Culture In America:

Cruisin' Michael Karl Witzel, Kent Bash, 1997 Lively text examines all aspects of this universal pastime including the cars the rise of youth culture street racing drive ins cruisers versus the law Detroit's role classic cruising venues like Detroit's Woodward Avenue popular culture and more It is illustrated with historical new photos and features a dozen specially commissioned artwork by well known automotive illustrator Ken Bash 200 photos 150 in color [Cruising J-Town](#) Oliver Wang, 2025-07-15 Cruising J Town Japanese American Car Culture in Los Angeles explores how generations of Japanese Americans in Southern California shaped and were shaped by local automobile cultures and industries from desert lakebeds to concrete speedways gas stations to design centers souped up import tuners to humble gardening trucks Along the way cars and trucks became literal and figurative vehicles for Japanese American self expression social mobility community identity and much more Cruising J Town is driven to explore how these diverse relationships between people and the world of cars have steered the Nikkei community's American stories across the generations **Youth Cultures in America** Simon J. Bronner, Cindy Dell Clark, 2016-03-21 What are the components of youth cultures today This encyclopedia examines the facets of youth cultures and brings them to the forefront Although issues of youth culture are frequently cited in classrooms and public forums most encyclopedias of childhood and youth are devoted to history human development and society A limitation on the reference bookshelf is the restriction of youth to pre adolescence although issues of youth continue into young adulthood This encyclopedia addresses an academic audience of professors and students in childhood studies American studies and culture studies The authors span disciplines of psychology sociology anthropology history and folklore The Encyclopedia of Youth Cultures in America addresses a need for historical social and cultural information on a wide array of youth groups Such a reference work serves as a corrective to the narrow public view that young people are part of an amalgamated youth group or occupy malicious gangs and satanic cults Widespread reports of bullying school violence dominance of athletics over academics and changing demographics in the United States has drawn renewed attention to the changing cultural landscape of youth in and out of school to explain social and psychological problems **The Automobile in American History and Culture** Michael L. Berger, 2001-07-30 This comprehensive reference guide reviews the literature concerning the impact of the automobile on American social economic and political history Covering the complete history of the automobile to date twelve chapters of bibliographic essays describe the important works in a series of related topics and provide broad thematic contexts This work includes general histories of the automobile the industry it spawned and labor management relations as well as biographies of famous automotive personalities Focusing on books concerned with various social aspects chapters discuss such issues as the car's influence on family life youth women the elderly minorities literature and leisure and recreation Berger has also included works that investigate the government's role in aiding and regulating the automobile with sections on roads and highways safety and pollution The guide concludes with an overview of reference

works and periodicals in the field and a description of selected research collections The Automobile in American History and Culture provides a resource with which to examine the entire field and its structure Popular culture scholars and enthusiasts involved in automotive research will appreciate the extensive scope of this reference Cross referenced throughout it will serve as a valuable research tool *Fast Cars, Cool Rides* Amy L. Best, 2006 Drawing on interviews with over 100 young men and women and five years of research the author explores the fast paced world of kids and their cars She reveals a world where cars have incredible significance for kids as a means of transportation and thereby freedom to come and go as status symbols and as a means to express their identities How to Talk American Jim Crotty, 1997 Based on the popular How to Talk feature in the alternative travel magazine Monk this savvy and often hilarious region by region guide to the way Americans talk also provides a dead on and sometimes too strange indication of how we think how we behave and what we hold dear 100 photos drawings maps The Second Generation Pyong Gap Min, 2002 Min provides a critical overview of Asian American identity issues among second generation ethnic Asians From the social constructionist perspective the book is an anthology of empirical studies of Asian Americans ethnic or pan ethnic identities examining ethnic attachments among second generation Filipino Vietnamese Indian Korean Americans Chinese and Japanese Americans *National Identity, Popular Culture and Everyday Life* Tim Edensor, 2020-06-15 The Millennium Dome Braveheart and Rolls Royce cars How do cultural icons reproduce and transform a sense of national identity How does national identity vary across time and space how is it contested and what has been the impact of globalization upon national identity and culture This book examines how national identity is represented performed spatialized and materialized through popular culture and in everyday life National identity is revealed to be inherent in the things we often take for granted from landscapes and eating habits to tourism cinema and music Our specific experience of car ownership and motoring can enhance a sense of belonging whilst Hollywood blockbusters and national exhibitions provide contexts for the ongoing and often contested process of national identity formation These and a wealth of other cultural forms and practices are explored with examples drawn from Scotland the UK as a whole India and Mauritius This book addresses the considerable neglect of popular cultures in recent studies of nationalism and contributes to debates on the relationship between high and low culture Asian American Youth Jennifer Lee, Min Zhou, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company **Machines of Youth** Gary S. Cross, 2018-05-04 For American teenagers getting a driver s license has long been a watershed moment separating teens from their childish pasts as they accelerate toward the sweet sweet freedom of their futures With driver s license in hand teens are on the road to buying and driving and maybe even crashing their first car a machine which is home to many a teenage ritual being picked up for a first date parking at a scenic overlook or blasting the radio with a gaggle of friends in tow So important is this car ride into adulthood that automobile culture has become a stand in a shortcut to what millions of Americans remember about their coming of age Machines of Youth traces the rise and more recently the fall of car

culture among American teens In this book Gary S Cross details how an automobile obsession drove teen peer culture from the 1920s to the 1980s seducing budding adults with privacy freedom mobility and spontaneity Cross shows how the automobile redefined relationships between parents and teenage children becoming a rite of passage producing new courtship rituals and fueling the growth of numerous car subcultures Yet for teenagers today the lure of the automobile as a transition to adulthood is in decline Tinkerers are now sidelined by the advent of digital engine technology and premolded body construction while the attention of teenagers has been captured by iPhones video games and other digital technology And adults have become less tolerant of teens on the road restricting both cruising and access to drivers licenses Cars are certainly not going out of style Cross acknowledges but how upcoming generations use them may be changing He finds that while vibrant enthusiasm for them lives on cars may no longer be at the center of how American youth define themselves But for generations of Americans the modern teen experience was inextricably linked to this particularly American icon

If you ally dependence such a referred **Cruisin Car Culture In America** book that will give you worth, get the extremely best seller from us currently from several preferred authors. If you desire to humorous books, lots of novels, tale, jokes, and more fictions collections are then launched, from best seller to one of the most current released.
