Crucial Dimensions In World Evangelization:

Crucial Dimensions in World Evangelization Arthur F. Glasser, 1976-01-01 *Muslim Evangelism* Phil Parshall, 2003-08-01 Responding to the relative failure of Christians to evangelize Muslims Phil Parshall poses difficult questions about what is and is not essential to the Christian witness in Islamic contexts *The Good News of The Kingdom* Charles E. Van Engen, Dean S. Gilliland, 1999-09-17 Crucial Dimensions in World Evangelization, 1977 Perspectives on the World Christian Movement (4th Edition) Ralph D. Winter, Steven C. Hawthorne, 2009-06-01 Perspectives on the World Christian Movement presents a multi faceted collection of readings exploring the biblical historical cultural and strategic dimensions of world evangelization Writings from more than 150 mission scholars and practitioners over 60 of them new to this edition portray the history and anticipate the potential of the global Christian movement Every one of the 170 articles and side bars offers practical wisdom enabling Christians to labor together in bold biblical hope to finish the task of seeing that Christ is named and followed among all the peoples of the earth The Fourth Edition contains over 60 articles and sidebars that are new to this edition Many articles have been updated and revised **Propelled by Hope** Yvonne Huneycutt, 2024-01-30 50 Years of Mobilizing for Frontier Missions Do not despise the day of small beginnings These words from the book of Zachariah were prophetically spoken by famed missiologist Arthur Glasser to the inaugural Perspectives class in 1974 The mystery of transformation from a tiny classroom discussion into a sweeping frontier mission seems lost to time The fascinating connection between the Perspectives movement the frontier mission movement and church planting movements is a story rarely told yet vital to understanding the spread of the gospel to resistant populations Yvonne Huneycutt s *Propelled by Hope* unfolds the hidden tapestry of these interconnected movements through sixty personal interviews and inspiring anecdotes Huneycutt explains how the Jesus Movement transformed disillusioned youth into fervent volunteers for mission Discover not just history but a spiritual journey that offers lessons inspiration and encouragement for today s believers Whether you are a mission leader a student of missiology or someone seeking to understand God s movement in the world this book will deepen your insight into the strategies goals and personal stories that have shaped modern missions Mision en el camino Charles E. Van Engen, 2019-02-28 Durante los pasados cincuenta a os el nfasis sobre la pr ctica y estrategia de la obra misionera ha menoscabado el valor de la importancia de la teolog a de la misi n Sin embargo en las ltimas d cadas te logos y misi logos de todas las tradiciones cristianas han comenzado a reexaminar y repensar las suposiciones teol gicas que fundamentan la obra misionera En Misi n en el Camino Charles Van Engen articula con claridad muchos de los conceptos fundamentales de la teolog a de la misi n Charles Van Engen en este volumen aborda numerosos temas misiol gicos centrales Examina la cuesti n de construir teolog as en contextos espec ficos tales como en la ciudad Tambi n nos muestra tanto los beneficios como las preocupaciones que experimentamos cuando alentamos a los creyentes a teologizar dentro de su propio entorno cuando tomamos con seriedad el sacerdocio de todos los creyentes Hace

un delineamiento de los debates actuales sobre asuntos levantados por el pluralismo religioso y batalla con la manera en que podemos proclamar el carácter único de Cristo sin ser arrogantes y triunfalistas. Echa una mirada al impacto que la modernidad y la posmodernidad están teniendo sobre el movimiento misionero en Occidente y hace un llamado a la renovación de nuestro compromiso como seguidores de Jesucristo en los duros ambientes culturales de nuestros días. Explora los roles cambiantes de misioneros y ministros en iglesias jóvenes y levanta preguntas difíciles relacionadas con la unidad de la iglesia en medio de su proliferación, diversidad y fragmentación de carácter global. Son de excepcional valor la manera en que Van Engen traza la historia de la discusión reciente sobre cada uno de estos asuntos y la riqueza de fuentes bibliográficas que nos presenta para más estudio. Igualmente importantes son las repuestas que ofrece a estas cuestiones respuestas que nos ayudan a movernos más allá de los caminos sin salida que tanto caracterizan nuestro pensamiento actual. Tomado del Prólogo escrito por Pablo Hiebert

The Real Church Harald Hegstad, 2013-06-27 What does it mean to believe in the church? What is the relationship between the church we believe in and the church we experience? Is there an invisible church that is different from the visible? This book is an argument for an ecclesiology of the visible. The only church, the real church, is a concrete reality made up of people just like any other fellowship. What distinguishes it as church is the presence of the triune God among those who gather in the name of Jesus, making it a sign and anticipation of the fellowship of the kingdom of God. From this premise Dr. Hegstad analyzes such issues as the relationship between church and world mission and diakonia, church as fellowship and organization, ministries in the church, worship and the unity of the church, as well as discussing the relationship between a sociological and a theological understanding of the church.

The Church and Cultures Louis J. Luzbetak, 2015-03-31 Why should the church be concerned about cultures? Louis J. Luzbetak began to answer this question twenty-five years ago with the publication of *The Church and Cultures: An Applied Anthropology for the Religious Worker*. Reprinted six times and translated into five languages, it became an undisputed classic in the field. Now, by popular demand, Luzbetak has thoroughly rewritten his work, completely updating it in light of contemporary anthropological and missiological thought and in face of current world conditions. Serving as a handbook for a culturally sensitive ministry and witness, *The Church and Cultures* introduces the non-anthropologist to a wealth of scientific knowledge directly relevant to pastoral work, religious education, social action, and liturgy, in fact, to all forms of missionary activity in the church. It focuses on a burning theological issue: that of contextualization, the process by which a local church integrates its understanding of the Gospel text with the local culture context.

Globalizing Theology Craig Ott, Harold A. Netland, 2006-10-01 One of the most powerful forces in the twenty-first century is the increasing phenomenon of globalization. In nearly every realm of human activity, traditional boundaries are disappearing, and people worldwide are more interconnected than ever. Christianity has also become more aware of global realities and the important role of the church in non-Western countries. Church leaders must grapple with the implications for theology and ministry in an ever-shrinking world. *Globalizing Theology* is a groundbreaking

book that addresses these issues of vital importance to the church. It contains articles from leading scholars including Tite Ti nou, Kevin Vanhoozer, Charles Van Engen, M. Daniel Carroll, R. Andrew Walls, Vinod Ramachandra, and Paul Hiebert. Topics covered include the challenges that globalization brings to theology, how we can incorporate global perspectives into our thinking, and the effect a more global theology has on a variety of important issues.
