Cities Autonomy And Decentralization In Japan Routledge Contemporary Japan:

Cities, Autonomy, and Decentralization in Japan Carola Hein,Philippe Pelletier,2006-09-27 Adding a new perspective to the current literature on decentralization in Japan *Cities Autonomy and Decentralization in Japan* approaches the subject from an urban studies and planning approach The essays in the collection present a cogent compilation of case studies focusing on the past present and future of decentralization in Japan These include small scale development in the fields such as citizen participation machizukuri urban form and architecture disaster prevention and conservation of monuments The contributors suggest that new trends are emerging after the bursting of Japan s economic bubble and assess them in the context of the country s larger socio political system This in depth analysis of the development outside of Japan provides a valuable addition to students of Urban Asian and Japanese Studies

Routledge Handbook of Contemporary Japan Hiroko Takeda,Mark Williams,2020-09-21 The Routledge Handbook of Contemporary Japan presents a synthesized interdisciplinary study of contemporary Japan based on up to date theoretical models designed to provide readers with a comprehensive and full understanding of the dynamics of contemporary Japan In order to achieve this the Handbook is organized into two parts Part I Foundations clarifies the state of contemporary Japan topic by topic by referring to the latest theoretical developments in the relevant disciplinary fields of politics international relations economy society culture and the personal Part II Issues then offers a series of concrete analyses building upon the theoretical discussions introduced in Part I to help undergraduate and postgraduate students learn how to conduct independent analysis Locating Japan in a comparative and interdisciplinary perspective this Handbook is an essential resource for students and scholars interested in Japanese studies Asian studies and global studies

Marriage in Contemporary Japan Yoko Tokuhiko,2009-09-25 The phenomenon of bankonka postponement of marriage is increasingly reported in contemporary Japanese media clearly illustrating the changing patterns of modern lifestyles and attitudes towards marriage personal obligation and ambition This is the first book in recent years to explore the contemporary state of marriage in Japanese society Setting out the different perceptions and expectations of marriage in today s Japan the book discusses how economic issues and the family impact on marital behaviour Contrary to the views of some feminists that young women have no interest in improving their status and position this book argues that by delaying marriage and childrearing young women can be seen as rebels challenging Japanese patriarchal society Unlike many other studies it gives equal attention to male gender roles and masculinity exploring what constitutes being a real man in Japan through the analysis of mainstream and non mainstream conceptions of masculinity that co exist in contemporary Japan and considers the implications of such different roles for the institution of marriage It investigates the roles of wife and mother articulating why the strict division of labour defining men as breadwinners and women as homemakers became popular Moreover it describes the changing character of courtship relationships explaining why the norm has shifted from arranged marriages pre 1945 to love marriages after that period

Finally it puts the Japanese experience into cross cultural international context with a series of comparisons with marriage elsewhere both in Asia including in Korea and Hong Kong and in western countries such as France Sweden Italy and the United States

The Novels of Oe Kenzaburo Yasuko Claremont,2008-12-01 e Kenzaburo was awarded the Nobel Prize for Literature in 1994 This critical study examines e s entire career from 1957 2006 and includes chapters on e s later novels not published in English Through close readings at different points in e s career Yasuko Claremont establishes the spiritual path that he has taken in its three major phrases of nihilism atonement and salvation all highlighted against a background of violence and suicidal despair that saturate his pages e uses myth in two distinct ways to link mankind to the archetypal past and as a critique of contemporary society Equally he depicts the great themes of redemption and salvation on two levels that of the individual atoning for a particular act and on a universal level of self abnegation dying for others In the end it is e s ethical concerns that win out as he turns to the children the inheritors of the future new men in a new age who will have the power and desire to redress the ills besetting the world today Essentially e is a moralist a novelist of ideas whose fiction is densely packed with references from Western thought and poetry This book is an important read for scholars of e Kenzaburo s work and those studying Japanese Literature and culture more generally

Perversion and Modern Japan Nina Cornyetz,J. Keith Vincent,2010-01-21 Perversion and modern Japan focuses on the psychoanalytic approach to the study of modern Japan Using a wide range of psychoanalytic approaches the contributors to this book have brought together chapters on everything from the Ajase complex to underpants from fascist modernism in literature to internet based suicide pacts

Routledge Handbook of Asian Cities Richard Hu,2023-05-31 This handbook provides the most comprehensive examination of Asian cities developed and developing large and small and their urban development Investigating the urban challenges and opportunities of cities from every nation in Asia the handbook engages not only the global cities like Shanghai Tokyo Singapore Seoul and Mumbai but also less studied cities like Dili Mal Bandar Seri Begawan Kabul and Pyongyang The handbook discusses Asian cities in alignment to the United Nations New Urban Agenda and Sustainable Development Goals

in order to contribute to global policy debates In doing so it critically reflects on the development trajectories of Asian cities and imagines an urban future in Asia and the world in the post sustainable post global and post pandemic era Presenting 43 chapters of original insightful research this book will be of interest to scholars practitioners students and general readers in the fields of urban development urban policy and planning urban studies and Asian studies

Urban Spaces in Japan Christoph Brumann,Evelyn Schulz,2012 Urban Spaces in Japan explores the workings of power money and the public interest in the planning and design of Japanese space Through a set of vivid case studies of well known Japanese cities including Tokyo Kobe and Kyoto this book examines the potential of civil society in contemporary planning debates Further it addresses the implications of Japan s biggest social problem the demographic decline for Japanese cities and demonstrates the serious challenges and exciting possibilities that result from the impending end of Japan s urban growth Presenting a synthetic approach that reflects both the physical aspects and the social significance of urban spaces this book scrutinizes the precise patterns of urban expansion and shrinkage In doing so it also summarizes current theories of public space urban space and the body in space which are relevant to both Japan and the wider international debate With detailed case studies and more general reflections from a broad range of disciplines this collection of essays demonstrates the value of cross disciplinary cooperation As such it is of interest to students and scholars of geography and urban planning as well as history anthropology and cultural studies

Political Reform in Japan Alisa Gaunder,2007-04-11 Political Reform in Japan argues that the quality of political leadership is the crucial determinant of whether parties in positions of dominance like the Liberal Democratic Party in Japan pass or reject policies such as electoral system and campaign finance reforms that could harm the party s future electoral chances By comparing successful reform drives led by Miki Takeo Ozawa Ichiro and Koizumi Junichiro with unsuccessful reform efforts pursued by Kaifu Toshiki Miyazawa Kiichi and Kono Yonhei Alisia Gaunder forces a reconsideration of the structure versus agency debate in political science and of the conventional wisdom on Japanese politics that consensus decision making norms and factional power balancing produce little in the way of political leadership

A New Japan for the Twenty-First Century Rien T. Segers,2008-03-13 Many people in the West portray Japan as being fixed in its ways and unable to change and consequently risking national decline and international loss of prestige However in fact Japan is at present in a significant transition period comparable to the Meiji Restoration of 1868 or the period immediately after the Second World War This transition period comes with a mixture of events and situations which are difficult to interpret both for foreign as well as domestic commentators and decision makers In this book a range of senior experts from inside Japan outline the many considerable changes currently taking place in a wide range of fields including the economy business and technology politics governance and international relations and a wide range of social issues the media the position of women nationalism and national consciousness and religion Overall the book provides a corrective to misplaced Western and Eastern views it aims to redirect stereotyped thinking about contemporary Japan both inside as well

as outside the country In addition it gives a summary overview of contemporary Japan its current changes and problems in short the inside story of the second strongest national economy in the world which is in the process of fundamental re engineering and which will continue to have a huge impact globally going forward

Cities Autonomy And Decentralization In Japan Routledge Contemporary Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Cities Autonomy And Decentralization In Japan Routledge Contemporary Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Cities Autonomy And Decentralization In Japan Routledge Contemporary Japan has opened up a world of possibilities. Downloading Cities Autonomy And Decentralization In Japan Routledge Contemporary Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Cities Autonomy And Decentralization In Japan Routledge Contemporary Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Cities Autonomy And Decentralization In Japan Routledge Contemporary Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Cities Autonomy And Decentralization In Japan Routledge Contemporary Japan. Some websites may offer pirated or illegally

obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Cities Autonomy And Decentralization In Japan Routledge Contemporary Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Cities Autonomy And Decentralization In Japan Routledge Contemporary Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
