Developing A Self Evaluating School A Practical Guide:

Developing a Self-Evaluating School Paul K. Ainsworth, 2010-07-01 Do you need to urgently develop a cohesive school evaluation system Are you a middle leader looking to conduct your own small scale research Do you need to find a systematic way to evaluate your extended school Self evaluation is a part of everyday school life but it can be both daunting and time consuming This practical easy to navigate guide introduces the main tools of self evaluation and looks at how schools and individuals in different contexts and roles have successfully used these tools in a holistic way Designed to be easily dipped into according to your needs each chapter has been divided into three sections the basics the detail and a conclusion The basics provides an overview of key tools and approaches the detail gives guidance on implementation with plenty of case studies and questions at the end of each section encourage reflection on your own context and practice Written with busy professionals in mind this book is essential reading for the senior leadership team middle leaders and teachers interested in developing their own self evaluations *School Partnerships Handbook* , **Resources in Education** , 2001-04 *The Practice and Theory of School Improvement* David Hopkins, 2008-05-13 ANDY HARGREAVES Department of Teacher Education Curriculum and Instruction Lynch School of Education Boston College MA U S A ANN LIEBERMAN Carnegie Foundation for the Advancement of Teaching Stanford CA U S A MICHAEL FULLAN Ontario Institute for Studies in Education University of Toronto Canada DAVID HOPKINS Department for Education and Skills London U K This set of four volumes on Educational Change brings together evidence and insights on educational change issues from leading writers and researchers in the field from across the world Many of these writers whose chapters have been specially written for these books have been investigating helping initiate and implementing educational change for most or all of their lengthy careers Others are working on the cutting edge of theory and practice in educational change taking the field in new or even more challenging directions And some are more skeptical about the literature of educational change and the assumptions on which it rests They help us to approach projects of understanding or initiating educational change more deeply reflectively and realistically Educational change and reform have rarely had so much prominence within public policy in so many different places Educational change is ubiquitous It figures large in Presidential and Prime Ministerial speeches It is at or near the top of many National policy agendas Everywhere educational change is not only a policy priority but also major public news Yet action to bring about educational change usually exceeds people s understanding of how to do so effectively **Making Inclusion Happen** Anne Hayward, 2006-06-07 Includes CD Rom This book could be useful for a newly appointed or inexperienced SENCO or in a school where inclusion is an issue It does give realistic suggestions and guidelines on how to address the mounds of paperwork which are supposed to move us forward Special magazine In a world where education initiatives seem to land as relentlessly as dead leaves from a grey sky this book will help Readers can rest assured that they are in good hands Though it is presented as a workbook that one might dip into for useful bits it is in fact more than that and

repays more thorough reading from beginning to end for much is covered It will certainly be invaluable for Sencos and headteachers who want to ensure that they are up to speed with Government initiatives and directives The book is called Making Inclusion Happen and it will certainly help you to this end for it s an excellent r sum of issues and schemes Times Educational Supplement Book of the Week Anne Hayward has once again shown that she is at the cutting edge of educational thinking about inclusion She has a straightforward approach to identifying barriers to learning and ways to remove them with transparent strategies and practical suggestions for meeting pupils needs This book is an essential read for all staff in schools as inclusion is recognised as a full school responsibility Brian Parker Headteacher Longdendale Community College A well written and clearly presented overview of how to develop more inclusive practice and provision SENCO Update Do you want to implement an effective high quality inclusion programme in your school but feel overwhelmed by the mountain of DfES guidelines and don t know where to start If so Anne Hayward s practical accessible book will tell you all you need to know in bite size digestible chunks This book will take you through each step of the process with up to date information on current legislation Children s Services Every Child Matters and DfES guidance a wide range of inclusion programmes and initiatives planning managing and implementing inclusion with reference to Every Child Matters in your school inspection requirements and self evaluation strategies effective inclusion training advice on how to get Best Value from your inclusion services This easy to read guide gives you a sound overview of inclusion and is packed with practical material including examples of best practice checklists and an accompanying CD with PowerPoint slides for training sessions It will enable you to cut through the maze and make a real difference to young people Inclusion Managers and Co ordinators SENCOs Learning Support Unit Managers Learning Mentors Senior Leadership Teams Governors Multi agency Professionals Local Authority Officers School Improvement Partners Ofsted Inspectors and anyone else who is involved in the inclusion agenda will find the real life practical solutions and ideas and down to earth guidance in this book enable them to really make inclusion happen Anne is DfES Consultant for Learning Mentors Learning Support Units and to the DfES SEN and Disability Team and author of the much acclaimed DfES Good Practice Guidance on Learning Mentors and Learning Support Units and the new DfES Guidance on the role of Learning Mentors and Coordinators in supporting the new Children s Services and Schools Agenda
