either side only here and there a frozen lake to whose margin ere the waters were changed to ice the forest denizens came down to gorge themselves with the small fish that abound there They are travellers who have penetrated this dismal region for pleasure yet each moved by a different desire The first Lucius Davoren surgeon has been impelled by that deep rooted thirst of knowledge which in some minds is a passion He wants to know what this strange wild territory is like this unfamiliar land between Fort Garry and Victoria across the Rocky Mountains and if there lies not here a fair road for the English emigrant He has even cherished the hope of some day pushing his way to the northward up to the ice bound shores of the polar sea He looks upon this trapper expedition as a mere experimental business an education for grander things the explorer s preparatory school So much for Lucius Davoren surgeon without a practice Mark him as he sits in his dusky corner by the fire The hut boasts a couple of windows but they are only of elk skin through which the winter light steals dimly Mark the strongly defined profile the broad forehead the clear gray eyes The well cut mouth and resolute chin are hidden by that bushy untrimmed beard which stiffens with his frozen breath when he ventures outside the hut but the broad square forehead the Saxon type of brow and clear penetrating eyes are in themselves all sufficient indications of the man s character Here are firmness and patience or in one word the noblest attribute of the human mind constancy On the opposite side of that rude hearth sits Geoffrey Hossack three years ago an undergraduate at Balliol great at hammer throwing and the long jump doubtful as to divinity exam and with vague ideas trending towards travel and adventure in the Far West as the easiest solution of that difficulty Young handsome ardent fickle strong as a lion gentle as a sucking dove Geoffrey has been the delight and glory of the band in its sunnier days he is the one spot of sunlight in the picture now when the horizon has darkened to so deep a gloom *Bibliotheca Londinensis* ,1848 Nobody's Fortune; a Novel Edmund Yates,1872
