Tangible Christopher Sicks, 2014-02-27 In today's church there seems to be two well intentioned groups *Deed* people feed the hungry and help the poor while *Word* people proclaim the gospel and engage in apologetics The two often seem to compete with one another but God always intended them to be partners Sacrificial love can grab the attention of those we serve opening their ears and minds to the words we share In *Tangible* author and Pastor Chris Sicks explains how God's people can effectively introduce hurting people to God through intentional acts of kindness This book does more than discuss these good ideas It's full of ways to make God known to the needy in your community today Extra features include A thorough resource section Ministry examples Discussion questions for personal study or group discussion By sharing both words of truth and deeds of mercy God's people will reflect Christ's love the most tangible proof of God's existence
