Christianity Rediscovered Vincent J. Donovan, 2001 This profound and thought provoking book is one of the classics of modern missionary writing Superficially just a good missionary story about how one man brought a number of groups of Masai people in east Africa to Christian faith it is something much more than that For in what the author says about the method and content of evangelism the meaning of the eucharist and the nature of ministry we are led back to the question our understandings of the mission of the church in all its contexts For Donovan his experiences in Africa meant a total reappraisal of the meaning of his faith and therefore a rediscovery of his Christianity His book which is written with moving simplicity continues to represent a provocative challenge to all those engaged in issues of evangelism and multiculturalism

Sacraments after Christendom Andrew Francis, Janet Sutton, 2022-01-01 In contemporary Western society the church has been pushed to the margins leading experts to describe the current era as a time after Christendom Many traditional churches and congregations are struggling a condition worsened by the COVID 19 pandemic regulations As the practice of churchgoing wanes the performance of the sacrament is called into question How can we bring the traditional communal experience of sacrament into the modern world In *Sacraments after Christendom* Andrew Francis and Janet Sutton tackle this question head on exploring and discussing the enactment of the sacrament in the context of church decline and an increasingly isolated world In doing so they deconstruct traditional perceptions and broaden our understanding of ritual and community in order to rediscover the truth of the sacrament

Science and God: Enemies or Allies? Bernard V Palmer, 2023-03-03 Some say I cannot believe in God because science has disproved it It is now apparent that such reasoning is invalid Modern science supports what the Bible teaches and the Bible supplies what science cannot This book demonstrates this unity with many facts and examples showing how conflicts in the past have been resolved and how this is relevant to how we live today

How to Explain your Faith John Pritchard, 2014-10-16 This book addresses the fact that apologetics today needs to operate on the basis of dialogue and conversation rather than proclamation and persuasion. It will help you talk more confidently with your friends about the hope that keeps you going. And during those times when you find that you are questioning your faith, the answers and ideas here may help you come to a deeper understanding of what you really believe.

Leading a Church to Maturity in Love David R. Tomlinson, 2019-03-01 Church leaders frequently encounter tensions and conflict, especially when facing change. Building on extensive experience of leading churches at times of change, Tomlinson shows how, through critical theological reflection and modelling good practice, church leaders can facilitate church life that is grounded and transformed by the love of God.

Church After Christendom Williams Stuart Murray, 2013-08-01 How will the western church negotiate the demise of Christendom? Can it rediscover its primary calling, recover its authentic ethos and regain its nerve? If churches are to thrive or even survive, disturbing questions need to be confronted and answered. In conversation with Christians who have left the church and with those who are experimenting with fresh expressions of church, Stuart Murray explores both the emerging and inherited church scenes and makes proposals for the development of a way of being church suitable for a postdenominational, postcommitment and post Christendom era. With chapters on mission, community and worship, *Church After Christendom* offers a vision of church life that is healthy, sustainable, liberating, peaceful and missional.

What Do Christians Believe? Malcolm Guite, 2020-03-31 A lucid summary and interpretation of the Christian faith from one of the leading Christian poets of our time. Jeremy Begbie, Duke University: "I give you a new commandment that you love one another. Just as I have loved you, you also should love one another." Jesus Christ. Christianity began as a minor sect within Judaism and has become one of the major world religions. What started as a small group of people who shared the same language, lifestyle and background is now a movement which embraces many different languages and cultures, giving rise to an astonishing variety of practices and interpretations, yet all with a common basis of shared faith inspired by the teaching of the life, death and new life of a carpenter from Nazareth. How did this happen? *What Do Christians Believe?* was written for the reader looking for quick, practical insights into the beliefs and practices of Christianity. Jesus himself identified love as the essential element in both worship and daily life. Using this teaching and the core Christian belief that Jesus was God's way of opening himself to humanity, theologian, poet and songwriter Malcolm Guite explains the inner meaning of such key Christian teachings as atonement, redemption and the concept of God as Trinity.
