[Pick Up the Pieces](#) John Corbett, 2024-05-31 Unless you lived through the 1970s it seems impossible to understand it at all Drug delirium groovy fashion religious cults mega corporations glitzy glam hard rock global unrest from our 2018 perspective the seventies are often remembered as a bizarre blur of bohemianism and disco With Pick Up the Pieces John Corbett transports us back in time to this thrillingly tumultuous era through a playful exploration of its music Song by song album by album he draws our imaginations back into one of the wildest decades in history Rock Disco Pop Soul Jazz Folk Funk The music scene of the 1970s was as varied as it was exhilarating but the decade s diversity of sound has never been captured in one book before now Pick Up the Pieces gives a panoramic view of the era s music and culture through seventy eight essays that allow readers to dip in and out of the decade at random or immerse themselves completely in Corbett s chronological journey An inviting mix of skilled music criticism and cultural observation Pick Up the Pieces is also a coming of age story tracking the

A master DJ on the page, Corbett takes us through the curated playlist that is *Pick Up the Pieces* with captivating melody of language and powerful enthusiasm for the era. This funny, energetic book will have readers longing nostalgically for a decade long past. *Al Sharpton* Carl F. Horowitz, 2025-02-07. In August 2014, a white police officer acting in self-defense shot to death an attacker, Michael Brown, a black youth in Ferguson, Missouri. Al Sharpton's rhetoric had much to do with the subsequent local rioting. This was nothing new. He had been applying his patented demagoguery to incidents with racial implications for decades in his native New York City and elsewhere under the guise of justice and civil rights. His many prominent supporters have catapulted him to the apex of American life. President Obama and President Biden regularly solicited his advice. Major corporations continue to donate money to his nonprofit, National Action Network. Public sector employee unions fete him. Reverend Al is more subdued and dapper than in his earlier manic days. But that should not be cause for complacency. His proximity to power and regular news media presence make him ever more dangerous in these increasingly radicalized times. **Black Privilege** Charlamagne Tha God, 2017-04-18. The radio and television personality shares his unlikely success story as a troubled youth turned influential radio personality, outlining unstinting views about how embracing one's truths is an essential part of achieving success and happiness. *Worldcat*
