Theologies of the Gospel in Context David Schnasa Jacobsen, 2017-08-25 Many preachers and teachers of preaching talk about the gospel few name it Theologies of the Gospel in Context assembles a gifted group of homiletics who think that preachers need to be able to articulate the gospel not in general but in a certain time and place in context They consider what gospel sounds like for people under oppression in capitalist economies in neocolonial contexts for survivors of trauma and for disestablished mainline churches marred by racism Preachers will appreciate these preacher scholars desire to articulate the gospel with clarity especially since the term is so often left unexplained Homiletics will see a new genre of doing their work as teachers and researchers in preaching a vision that helps preaching see itself not just as an adjunct to exegesis or communication but a place of doing theology In these pages homiletics is more than technique it is a truly theological discipline

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism

Prosperity Gospel? Christopher Anthony, 2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles Uncovering new sources the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function Combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications This title is a valuable resource for scholars and practitioners alike especially those interested in the world of Faith theology and its impact on contemporary religious thought

Wednesday, December 15, and Eight Following Days, (Sunday Excepted)., 1841 *Christianity in Crisis* Hank

Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century there are new dangers: new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe. God cannot do anything in this earthly realm unless we give Him permission. Keep saying it: I have equality with God; talk yourself into it. Being poor is a sin. The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews. You create your own world the same way God creates His. He speaks and things happen; you speak and they happen. *Christianity in Crisis* 21st Century exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas.

Faith in the Realm of Reality Lester Boyd, 2020-09-03 Many teach, name it and claim it, and God has to respond. Although the works of Christ alone have completed all the requirements needed for one to be saved and to hear from God, man still has the responsibility to allow God to establish a relationship with him. In doing so, one will not want to live just a standard life but live a life that truly pleases God. And the only way to uphold that life is to acknowledge one's own faults and ask God for restoration. Understanding faith isn't just for things or healings but also for peace of mind. One has to learn to walk with a deeper trust of the Father, which is truly amazing when it is experienced. Although things may be good in context, the reality of His thoughts via His Word should show in reality how much man needs Him. This can only be achieved by seeing faith in reality.
