Classical Comedy - Greek and Roman Robert W. Corrigan, 2000-04-01 Applause Books Includes Aristophanes Lysistrata translated by Donald Sutherland The Birds translated by Walter Kerr Menander The Grouch translated by Sheila D Atri Plautus The Menaechmi translated by Palmer Bovie The Haunted House translated by Palmer Bovie Terence The Self Tormentor translated by Palmer Bovie Ottomiller's Index to Plays in Collections Denise L. Montgomery, 2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottomiller's Index to Plays in Collections has undergone seven previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide **The Best American Short Plays 1991-1992** Howard Stein, Glenn Young, 1992 A collection of one act plays from American playwrights which cover such themes as love fantasy politics grief marriage crime and deceit **The Bacchae** Euripides, 2001 Applause Books THE BACCHAE was not only the last and greatest of Euripides tragedies it was very close to the last of the great Greek tragedies The story of the play is in part about this cultural dissolution in Athens It's also about the theatre itself and how a sane society needs strong intelligent theatre to survive THE BACCHAE makes a perfect first entry in the new Applause series of classic dramas because it argues so passionately and beautifully and convincingly for the need for such a theatre in our era as much as in Euripides Herbert Golder in his new translation has turned an ancient play into a new one one just as potent for an applicable to our troubled times as Euripides own *Medieval and Tudor Drama* John Gassner, 1987 Presents examples of folk drama and morality plays and the early tragedies and comedies following classical models **Theatre and Drama in the Making** John Gassner, Ralph G. Allen, 1992 Applause Books Theatre and Drama in the Making introduces readers not only to important primary sources but to the uses made of them by distinguished theorists critics and historians Unlike other texts it discusses theatre as a whole embracing both the art of dramatic writing and the art of performance Included in this new edition are greatly expanded sections covering Latin Theatre and Drama and The Golden Age of Spain as well as all the exciting new archaeological information relating to the excavation of the Rose and the Globe The introduction to each essay has been revised and enlarged so that together they may be read independently as a concise and accurate narrative of theatre history From Aeschylus to Calderon from Agatharcus to Serlio from Thespis to Burbage from Aristotle to Sidney here is the story of Western Theatre in all its glorious variety **America's First Regional Theatre** J. Ullom, 2014-05-14 The Cleveland Play House has mirrored the achievements and struggles of both the city of Cleveland and the American theatre over the past one hundred years This book challenges the established history often put forward by the

theatre itself and long held assumptions concerning the creation of the institution and its legacy The Tempest William Shakespeare, 1996 Applause Books The Applause edition of Shakespeare's The Tempest allows the reader and student to look beyond the scholarly reading text to the more sensuous more collaborative more malleable performance text which emerges in conjunction with the commentary and notes Readers and students are faced with real theatrical choices in each speech as the editors point out the challenges and opportunities to the actor and director at each juncture Readers will not only discover an enlivened Shakespeare they will be empowered to rehearse and direct their own productions of the imagination in the process In Search of Theater Eric Bentley, 1992-01-01 This book was written between 1946 and 1952 and first published in 1953 It is now widely regarded as the standard portrait of the European and American theater in the turbulent and seminal years following World War II but it is far more than that It ranges back as far as Ibsen and even Shakespeare and has contributed very substantially to a number of reputations that would long outlast 1950 such as those of Bertolt Brecht Charles Chaplin and Martha Graham For Bentley fans it is an essential link in a chain that runs from The Playwright as Thinker to The Life of the Drama to The Brecht Memoir and Thinking About the Playwright The Doctor in Spite of Himself ; and The Bourgeois Gentleman Molière, 1987 Offers a modern translation of Molière's plays about a wife's revenge on her brutish husband and a wealthy merchant who aspires to be a fine gentleman
