All the Women of the Bible Herbert Lockyer, 1988 This volume part of Lockyer's All Series contains detailed indexing of the life and times of all the women of the Bible

Let the Women Keep Silent in the Churches Diane Brooks Bundy, 2022-02-03 For centuries the question of who and what women should or should not be doing in God's churches has been labeled down through the centuries as one of the great controversies and it remains today to be a big conflict in 2019 The passages in 1 Corinthians 14:34-35 and 1 Timothy 2:11-12 found in the New Testament have been used and abused wrongfully to satisfy and appease the opinions and theories of the male mind set to satisfy the perspectives of the overview of what some pastors and some men believe God has set positive proof before us in the Old Testament and Jesus and the Apostle Paul in the New Testament about a woman's place in the church in ministry and in leadership This is an argument that should have been put to rest centuries past To persist in asking this question is to doubt God and to deny His Word for God and His Word are one The Bible says in 2 Timothy 3:16 All scripture is given by inspiration of God The Greek word for inspiration is theospneustos which literally means God breathed Every word of the Bible is God breathed directly from God's own mouth therefore it is infallible According to some pastors and men of today this is absolutely unheard of and the actions displayed by men is that even though God is God God had no right to put women in these positions with power or authority What about the women that labored with Paul How do we account for all those women How do we explain the women who fought for God on the front line and were fellow laborers with God in the Old Testament and Jesus in the New Testament as well as Paul Nowhere in the entire Bible is there a hint of evidence that God Jesus or the Apostle Paul ever indicated that women were not to be in leadership roles or in ministry Read the book search the scriptures and find out for yourselves

Feminist Theory and the Bible Esther Fuchs, 2016-02-23 Feminist

Theory and the Bible Interrogating the Sources conceptualizes contextualizes and maps a new kind of burgeoning scholarship that has grown up in recent decades This scholarship emerged in the margins of Feminist Studies and Biblical Studies and has yet to find a foothold in either one of these more established contexts In this book Esther Fuchs argues that in order to find an enduring stable place in the academe this scholarship requires a theoretical perspective Biblical Studies as a whole has not yet been sufficiently theorized as an academic field and currently consists of multiple disciplines relying for the most part on traditional scholarly discourses In this regard Feminist Biblical Studies is both a departure from and an important supplement to both Feminist Studies and Biblical Studies
