Clergy Killers Guidance For Pastors And Congregations Under Attack:

Clergy Killers G. Lloyd Rediger, 1997-01-01 Clergy Killers offers remedial strategies for pastors and congregations who want to protect themselves against the abuse of parishioners with personality disorders mental illnesses and mean streaks in situations that go well beyond mere church conflict *Church Abuse of Clergy* Gene Fowler, 2020-03-09 Imagine receiving a shocking email from a church member stating that you the pastor have mishandled church funds and that you should resign for the good of the congregation Soon you discover that the church member sent the email to many other church members Additional lies will follow until the fateful day comes when the members vote to fire you or the bishop dismisses you or you resign for sheer survival You are experiencing church abuse of clergy which is the topic of this book Clergy will gain an entirely new understanding of church abuse of clergy that afflicts many pastors and their loved ones by reading this book The view of church abuse of clergy being presented is a new paradigm that challenges older explanations of the church abuse This book shows that clergy must begin collaborating in order to discover effective solutions to the church abuse of clergy problem Clergy must become empowered to confront the church at all levels and support one another in the face of church abuse of clergy A very toxic ministry situation exists throughout the United States and internationally which must be challenged That Their Work Will Be a Joy Cameron Lee, Kurt Fredrickson, 2012-09-01 For those who are called to it pastoral ministry can be a source of deep joy But there are also challenges An increasing number of pastors seem to be burning out under the load Congregations may not be aware of the many and conflicting demands placed on a pastor s time and energies nor the pastor s need for rest and personal support That Their Work Will Be a Joy was written to encourage mutual understanding between pastors and congregations about the stresses of ministry The authors present five principles that will help ministry remain more of a joy than a burden Every chapter contains practical recommendations targeted specifically for pastors congregational leaders and even seminarians preparing for ministry A dozen personal responses to the book written as letters from people in ministry have been collected together at the end The book is helpful as a ministry preparation text a guide for those serving as pastors or as a discussion starter for pastors support groups It will help church committees smooth a pastoral transition or calm seminary graduates anticipating their first placement The hope is that stressed out pastors will recover their sense of vocation and congregations will begin to fulfill their calling as the body of Christ *Mark* Timothy G. Gombis, 2021-03-02 A new commentary for today s world The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible s grand story The first commentary series to do so SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts Its story centric approach is ideal for pastors students Sunday school teachers and laypeople alike Each volume employs three main easy to use sections designed to help readers live out God s story LISTEN to the Story Includes complete NIV text with references to other texts at work in each passage encouraging the reader to hear

it within the Bible's grand story EXPLAIN the Story Explores and illuminates each text as embedded in its canonical and historical setting LIVE the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students Mark Mark's Gospel is highly subversive and challenges disciples in ways that are unique from the other three accounts of Jesus' ministry His narrative addresses Christian audiences who know Jesus' teaching and who have made a Christian confession but who are failing to grasp the character of the gospel as thoroughly shaped by the cross of Christ Edited by Scot McKnight and Tremper Longman III and written by a number of top notch theologians The Story of God Bible Commentary series will bring relevant balanced and clear minded theological insight to any biblical education or ministry

Decent and in Order Ronald R. Stockton, 2000-02-28 This is a systematic study of how a congregational conflict involving allegations of sexual harassment and power abuse against a minister was seriously mishandled by church authorities The conflict escalated to entangle regional and national authorities and worked its way into the civil courts Stockton focuses on the interaction of organizational dynamics and ill defined Christian concepts such as reconciliation and discipline showing that in conflict situations the ideals of pastoral care are squeezed by an organizational mentality Key themes involve the role of women in the church the complex question of sexual harassment and the interface between church law and civil law The narrative which is based on interviews and official

documents captures the human dimensions of the story while simultaneously giving unique insight into congregational disputes and organizational behavior
