## **Concealed Carry The Shooters Guide To Selecting Handguns:**

**Shooter's Bible Guide to Concealed Carry, 2nd Edition** Brad Fitzpatrick, 2019-01-15 If you are one of the millions of Americans who chooses to exercise your Second Amendment Right but haven't quite mastered the proper technique with guns then this is the essential manual for you. It is your right to carry a firearm to protect yourself and your family. However, it is your responsibility to know how to operate that gun correctly and safely. Don't wait to be placed in a dangerous setting faced with an armed attacker. The updated second edition of the Shooter's Bible Guide to Concealed Carry is an all-encompassing resource that not only offers vital gun terminology but also suggests which gun is the right fit for you and how to efficiently use the device properly, be it in public or home. Firearm expert Brad Fitzpatrick examines how to practice, how to correct mistakes, and how to safely challenge yourself when you have achieved basic skills. Included within is a comprehensive chart describing the various calibers for concealed carry, suitable instructions for maintaining it, and most importantly, expert step-by-step instructions for shooting. Once again, renowned firearms expert Fitzpatrick delivers poignant tips and provides valuable information. The purpose of this book is to familiarize yourself with firearms and to gain the confidence you need to protect yourself in the worst of situations. My experience working with Skyhorse is always a positive collaboration. The editors are first-rate professionals, and my books receive top-shelf treatment. I truly appreciate our working relationship and hope it continues for years to come. David Fischer, author.

**Concealed Carry** Wiley Clapp, 2002-11-01 Once you have made the all-important decision to get a concealed carry weapon permit, you face a dilemma: how to determine the perfect carry piece from the dizzying array of choices available in modern handguns. Before you invest your money in and trust your life to one weapon, get the opinion of an expert—someone who's personally tested handguns from every major manufacturer and experimented with models, calibers, and types of ammunition, all with the specific needs of concealed carry in mind. Contains in-depth analyses of small, medium, and large pistols and revolvers by makers such as S&W, Glock, Colt, Ruger, Taurus, and more.

**Shooter's Bible Guide to Combat Handguns** Robert A. Sadowski, 2012-02-01 For more than 100 years, Shooter's Bible has been the ultimate comprehensive resource for shooting enthusiasts across the board. Trusted by everyone from competitive shooters to hunters to those who keep firearms for protection, this leading series is always expanding. Here is the first edition of the Shooter's Bible Guide to Combat Handguns, your all-encompassing resource with up-to-date information on combat and defensive handguns, training, and defensive ammunition, handgun ballistics, tactical and concealment holsters, accessories, training facilities, and more. No Shooter's Bible guidebook is complete without a detailed products section showcasing handguns from all across the market. Author Robert Sadowski proves to be a masterful instructor on all aspects of handguns, providing useful information for every reader, from those with combat handgun experience in military and law enforcement fields to private citizens, first-timers, and beyond.

**Handgun Buyer's Guide** Brad Fitzpatrick, 2015-11-17 The one-stop shop for prospective handgun buyers. The market for new handguns is expanding rapidly.

and that's good news for consumers. Each year more and more new models break cover and there has never been a better time to be in the market for a new handgun whether you're a recreational shooter, a concealed carry permit holder, a hunter, or a serious competitive shooter. Today's handguns offer superb machining and utilize some of the most technologically advanced alloys, polymers, and finishes to help make the current crop of handguns lightweight, accurate, durable, and affordable. This increase in product offerings stems from new interest in handguns primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But first-time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing growth and interest. Pistol competitions have become more popular and more advanced, evolving from slow fire matches at local gun clubs to modern IPSC, IDPA, and 3-gun competitions. Handgun Buyer's Guide will help both the bewildered new shooter find their feet and purchase a handgun, find the best accessories, and locate a place to practice on to hone their skills. You'll find all you need for owning a handgun in the Handgun Owner's Guide. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
