Dead End Desire Biblical Strategies For Overcoming Self Pity:

Dead-End Desire Phil Moser, 2013-04-15 Self pity is best defined as the preoccupation with yourself because your hopes desires or expectations have not been realized It is unproductive and destructive to all relationships Perhaps you know self pity firsthand Your circumstances seem overwhelming Negative thoughts consume your thinking Feeling sorry for yourself has become a way of life While you used to battle temptation lately you can't find the energy to try You compare yourself to others and come up short No matter where you start all roads seem to lead to self pity's dead end This booklet was written with you in mind It is intended to get you off a road that leads nowhere and to put you back on the road God wants for you Three simple truths will serve as your signposts think like God thinks do what Jesus did and follow where the Spirit leads

Dead-End Desire Resource Pack-Book, Memory Verses, and Accountability Journal Phil Moser, 2014-02 **Overcoming the Spirit of Self-pity** Henry Otasowere, 2021-06-09 Self pity has the addictive properties of a drug Nobody understands the anguish I've witnessed As Self Pity puts it In this book Overcoming the spirit of self pity Prophet Henry Otasowere exposes the spiritual dangers of self pity and demonstrates how to overcome them in all areas of life According to Prophet Henry Otasowere Self Pity is the super glue that holds hell's victims together in the past Using sound Biblical principles Prophet Henry Otasowere teaches you how to overcome self pity and reintroduce you to hope for your future Whatever you are experiencing God has a plan for your recovery You have a choice God does not desire for you to wallow in the mud but for you to reach out to your heavenly father who can assist you in becoming an overcomer Allow not your past failures to dictate the outcome of your future Leave it behind and continue Never allow yourself to be a victim When people get caught in the victim mentality they constantly focus on themselves and pity themselves People who believe in the theory of the drama cycle also known as the stage of life theory believe that their feelings are entirely external and must be influenced by some outside event This destructive cycle can take on a solid addictive effect and cause problems in our relationships This is where pride stands in disguise as self pity People experience a kind of self pity when they are suffering Reclining on a couch of self pity one might conclude I am better than everyone else because I've sacrificed so much We cannot claim to be feeling pity because we genuinely believe we are worthwhile our motivation comes from the unacknowledged worthiness we feel
