Fischer, Erika J. Fischer, 2011-05-09 The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917 Nowadays there are prizes in 21 categories from the fields of journalism literature and music The Pulitzer Prize Archive presents the history of this award from its beginnings to the present In parts A to E the awarding of the prize in each category is documented commented and arranged chronologically Part F covers the history of the prize biographically and bibliographically Part G provides the background to the decisions The Deepening Darkness Carol Gilligan, David A. J. Richards, 2008-11-10 Why is America again unjustly at war Why is its politics distorted by wedge issues like abortion and gay marriage Why is anti-Semitism still so powerfully resurgent Such contradictions within democracies arise from a patriarchal psychology still alive in our personal and political lives in tension with the equal voice that is the basis of democracy This book joins a psychological approach with a political theoretical one that traces both this psychology based on loss in intimate life and resistance to it based on the love of equals to the Roman Republic and Empire and to three Latin masterpieces Virgil's Aeneid Apuleius's The Golden Ass and Augustine's Confessions In addition this book explains many other aspects of our present situation including why movements of ethical resistance are often accompanied by a freeing of sexuality and why we are witnessing an aggressive fundamentalism at home and abroad **Perspectives on American Music since 1950** James R. Heintze, 2024-02-02 As the century comes to a close composition of music in the United States has reached little consensus in terms of style techniques or schools In fourteen original articles the contributors to this volume explore the broad range and diversity of post World War II musical culture Classical and jazz idioms are both covered as is the broad history of electronic music in the United States **History of the Pulitzer Prizes in Journalism 1917-2000** Heinz-Dietrich

Fischer, 2022-01-03 This volume describes the fascinating and sometimes amazing story of the prestigious Pulitzer Prizes in all journalistic award categories On the basis of the confidential and unpublished jury reports it was made possible to reconstruct the decision making discussions within the committees to confirm or prevent prize winners by majority votings

The book also makes clear that Pulitzer awards during more than eight decades went to a broad spectrum of American newspapers
